COMPLAINT – ACTION FOR DECLARATORY JUDGMENT

1. In this action, plaintiff URBN US Retail LLC (“Urban Outfitters”) seeks declarations from this Court that defendant, Zurich American Insurance Company (“Zurich”) is required to cover Urban Outfitters against business income and extra expense losses caused by the COVID-19 pandemic under an “all risks” insurance policy, Policy No. PPR5761839-06 (attached as Exhibit 1 (the “Policy”)).

2. Zurich refuses to honor its contractual obligations despite agreeing to cover Urban Outfitters for business interruption and extra expense losses resulting from physical loss or damage either at Urban Outfitters’ insured locations, or within five miles of those locations. Zurich denies that COVID-19 or related orders constitutes or resulted in insured physical loss or damage at property, and that coverage is otherwise barred by at least one exclusion to coverage. Zurich is wrong, as emerging medical and scientific studies confirm that COVID-19 results in tangible physical transformation of the air and surfaces, rendering dangerous transmission vehicles and making the property unsafe, unfit, and uninhabitable for ordinary functional use. Thus COVID-19 and related orders aimed at curbing its introduction or reintroduction onto property constitute and result in physical loss or damage to property.

THE PARTIES

3. Urban Outfitters is a limited liability company existing under the laws of the State of Pennsylvania with its principal place of business in Philadelphia.

4. Zurich is incorporated under the laws of the State of New York, with its principal place of business in Illinois.

JURISDICTION AND VENUE

5. The Court has subject-matter jurisdiction pursuant to 42 Pa.C.S. § 931(a). This Court has the power to declare the parties' rights and obligations pursuant to 42 Pa.C.S. § 7532.

6. Personal jurisdiction over Zurich exists because it has sufficient minimum contacts with Pennsylvania. Among other things, Zurich sells insurance policies to businesses such as Urban Outfitters that are in Pennsylvania.

7. Venue is also proper in this Court pursuant to Pennsylvania Rule of Civil Procedure Rule 1006 and 42 Pa.C.S. § 931(a), as events giving rise to Urban Outfitters' claim took place in this County, including communications between Urban Outfitters and Zurich concerning the losses covered under the Policy.

FACTUAL BACKGROUND

8. Urban Outfitters is a lifestyle retailer operating more than 200 stores in the United States, Canada and Europe. It sells men's and women's clothing, swimwear, home products, vinyl records, record players and technology accessories, among other items.

9. Urban Outfitters' retail stores are covered locations under the Policy. More than 1,400 known COVID-19 cases have been reported at its covered locations. On information and belief, many more cases of COVID-19 beyond those confirmed were actually present at covered Urban Outfitters beginning in or about March 2020 based on (i) the prevalence of COVID-19 across the United States, (ii) the location of Urban Outfitter storers in heavily trafficked public spaces, such as shopping districts, shopping malls and shopping centers, (iii) the lack of available testing at high volumes, and (iv) the fact that COVID-19 may be spread by pre-symptomatic and asymptomatic individuals. The Urban Outfitters' stores closed in the United States and Canada

following the outbreak of the COVID-19 pandemic, and their dates of closure, are identified in Exhibit 2.

THE POLICY

10. The Policy “insures against direct physical loss of or damage caused by a Covered Cause of Loss to Covered Property, at an Insured Location.” Policy § 1.01. A Covered Cause of Loss is defined as “[a]ll risks of direct physical loss of or damage from any cause unless excluded.” Policy § 7.11. Covered Property includes Urban Outfitters’ “interest in buildings (or structures) including new construction, additions, alterations, and repairs that the Insured owns, occupies, leases or rents.” Policy § 3.01.

11. Urban Outfitters seeks declarations of insurance coverage for loss or damage resulting from the presence of COVID-19 at covered locations and within five miles of those locations resulting in the issuance of civil authority orders that fully or partially limited access and activities at the locations identified on Exhibit 2. Urban Outfitters also seeks declarations that it is entitled to recover its extra expense, as that term is used in the Policy.

12. The Policy provides a wide range of coverages, with Zurich agreeing to a combined maximum coverage limit of \$500,000,000 per occurrence.

13. The Policy provides two overarching types of coverage to Urban Outfitters: (i) “Property Damage” coverage, and (ii) “Time Element” coverage.

14. “Time Element” is coverage for business interruption and related losses sustained by Urban Outfitters resulting from the inability to put damaged property to its normal use, e.g., the condition of property that would have existed in the absence of physical loss or damage.

15. Two basic types of “Time Element” coverage are at issue here: (i) coverage that indemnifies Urban Outfitters for lost income and extra expense because of physical loss or

damage to its covered locations, and (ii) coverage that indemnifies Urban Outfitters for lost income and extra expense because of physical loss or damage to third-party property within five miles of Urban Outfitters' covered locations. There are several different types of "Time Element" coverage at issue in Urban Outfitters' claim, none of which are mutually exclusive. Some, however, have sub-limited amounts available to Urban Outfitters in addition to other coverages.

16. The basic Time Element coverages provide coverage for loss of "Gross Earnings" or "Gross Profits." Policy § 4.02.01, § 4.02.05. There also is "Leasehold Interest" coverage for the "loss incurred by the Insured (as lessee) resulting from direct physical loss of or damage caused by a Covered Cause of Loss to a building (or structure) which is leased and not owned by the Insured." Policy § 4.02.04. There also is "Tenants Prohibited Access" coverage for the actual Gross Earnings or Gross Profit loss sustained, resulting from "the necessary Suspension of the Insured's business activities at an Insured Location if access to that Location by the Insured's suppliers, customers or employees is physically obstructed due to the owner, landlord or a legal representative of the building owner or landlord, prohibiting access to the Insured Location." Policy § 5.02.28.

17. Additional "Time Element" coverages at issue in this case include "Civil or Military Authority" coverage, and "Ingress/Egress" coverage.

18. The Policy provides "Civil or Military Authority" coverage for "the actual Time Element loss sustained by the Insured, as provided by this Policy, resulting from the necessary Suspension of the Insured's business activities at an Insured Location if the Suspension is caused by order of civil or military authority that prohibits access to the Location. That order must result from a civil authority's response to direct physical loss of or damage caused by a Covered Cause

of Loss to property not owned, occupied, leased or rented by the Insured or insured under this Policy and located within the distance of the Insured's Location as stated in the Declarations.”

Policy § 5.02.03. The Policy declarations state that this distance is 5 miles.

19. The Policy provides “Ingress/Egress” coverage for the “actual Time Element loss sustained by the Insured, as provided by this Policy, resulting from the necessary Suspension of the Insured’s business activities at an Insured Location if ingress or egress to that Insured Location by the Insured’s suppliers, customers or employees is prevented by physical obstruction due to direct physical loss of or damage caused by a Covered Cause of Loss to property not owned, occupied, leased or rented by the Insured or insured under this Policy.” Policy § 5.02.05. The Policy declarations state that this distance is 5 miles.

COVID-19

20. COVID-19 is a deadly communicable disease that damages property by physically altering the air and surfaces on which it attaches and transforming such air and surfaces into dangerous and potentially deadly vectors of communicable disease, causing property to become unsafe and unusable.

21. The SARS-CoV-2 virus causes the severe respiratory disease known as COVID-19, which is highly communicable from person to person by direct or indirect contact with an infected individual or an infected individual’s discharges. “COVID-19” is not a virus but rather the name of the disease caused by the virus – the 2019 novel coronavirus or SARS-CoV-2.

22. Infected people shed large amounts of SARS-CoV-2 into the physical environment around them. Small particle aerosols can remain suspended in the air for prolonged periods of time, where they can travel distances greater than 6 feet and eventually settle on physical surfaces to become infectious objects called “fomites.” Consequently, SARS-CoV-2

transforms property from a safe condition into a dangerous condition. It also changes the quality of the air into which it is released. The presence of the COVID-19 communicable disease at a property therefore is an external, physical force that damages property and is a non-excluded peril against which the Policy protects Urban Outfitters from resulting financial loss.

23. SARS-CoV-2 shed by people with COVID-19 can remain infectious in both aerosols and on many different types of surfaces, and in some cases can remain infectious for weeks depending on ambient temperature and humidity conditions in the environment. Furthermore, the presence of proteins, which are ubiquitous in the environment and in respiratory and skin secretions, significantly prolongs the length of time in which fomites can be transmitted.

24. Exhaled respiratory particles present a significant transmission risk even after they have settled onto surfaces. Thus, SARS-CoV-2 in the air as shed by COVID-infected persons can cause substantial property damage to the shared air within a property and to the physical property itself. The current evidence shows that infectious SARS-CoV-2 can remain in the air and on surfaces and pose a significant exposure risk on damaged property even if infected individuals are no longer present. Further, the air and the surfaces of indoor work environments, including floors, doors, doorhandles, elevator buttons, handrails, machinery, equipment, computers, keyboards, computer mouses and accessories, documents, and other physical items and surfaces, can be damaged by the presence of people with COVID-19.

25. A study released in January 2021 called “Surface interactions and viability of coronaviruses” states that:

[i]t has recently been found that surface contamination is very important in terms of transmission of SARS-CoV-2. Continuous recontamination with contaminated environmental surfaces transfers the infectious virus between humans. Evaluation of the

adhesion mechanisms of SARS-CoV-2 on different inanimate surfaces is crucial for preventing deposition and designing removal methods. The physico-chemical adherence and the persistence of SARS-CoV-2 differ with the characteristics of the inanimate surfaces and the virus outer surface proteins, as well as on the surrounding environmental conditions, such as air temperature, relative humidity (RH) and sunlight

Survival of the virus on non-porous material surfaces (e.g. stainless steel, plastic, latex and glass) was found to be higher than those on porous material surfaces (e.g. paper and cotton).¹

Workspaces, including those at Urban Outfitters' covered retail locations, contain many non-porous material surfaces that are particularly hospitable to the persistence of SARS-CoV-2 shed by persons affected with COVID-19.

26. Studies addressing the interaction between spike proteins and ambient airborne particulate matter and common property surfaces, such as metals, wood, plastics, fabrics, and glass, demonstrate that COVID-19 causes a tangible, measurable, and physical change or alteration in property.

27. As a further example, scientific and medical studies have confirmed that it physically alters property in several ways: (i) COVID-19 discharges alters physical surfaces and can remain viable on common surfaces such as glass, stainless steel, and money for a month; (ii) COVID-19 can be transmitted through these objects in a process known as “fomite transmission”, as noted above; and (iii) infected persons can generate disease-laden aerosols that remain in the air or on surfaces after the infected person has left the area and can infect others, thereby leaving the air and internal spaces of buildings, as well as surface areas and physical objects, physically unsafe and not capable of being used.

¹ <https://royalsocietypublishing.org/doi/10.1098/rsif.2020.0798>

28. Many businesses, such as Urban Outfitters, have had to physically reconfigure their layout and install physical safety features, such as partitions, ingress/egress signs, sanitizing stations, temperature check stations, and upgraded and improved ventilation systems, in order to mitigate communicable disease spread and in an effort to restore the use of physical premises to the condition it was before the loss. As noted above, at least 1,400 actual, known cases of COVID-19 have been documented at Urban Outfitters' retail stores and many more cases of COVID-19 beyond those confirmed were actually present at covered Urban Outfitters beginning in or about March 2020.

29. The physical effects of COVID-19 are not something that one can determine by glancing at a door handle or a light switch and deciding that it looks undamaged. Instead, those physical effects are established through factual and expert investigation, studies, and evidence, including through testimony by experts in the field of, for example, epidemiology, virology, and transmissible diseases (to establish presence through quantification, contact tracing, and other testing) and industrial hygiene (to establish that once present COVID-19 propagates through the property in the form of discharges, requiring testing, removal, repair, replacement, reconfiguration and remodeling of property and other restoration activities).

30. The damage to property caused by persons with COVID-19 is not limited to the duration that infection from a single source remains present. A recurrent cycle of infection via the indoor air, infectious surfaces, and contact between an infected person and others will further damage property, thus resulting in sustained property damage. As a result, COVID-19 is continually reintroduced onto property, despite best efforts to prevent or otherwise address the physical loss or damage it causes.

31. Any occupation of workspaces in areas of high community transmission has resulted, and is likely to result in, property damage due to the probability that an infected person will enter the premises. Many civil authorities where Urban Outfitters has insured locations issued shutdown or shelter-in-place orders, in part, because of COVID-19 was causing physical loss or damage to property in their local communities, including the following, for example:

- The State of Colorado issued a “stay at home,” stating that COVID-19 “physically contributes to property loss.” Exhibit 2 shows that twelve Urban Outfitters stores in Colorado were closed due to the presence of COVID-19 at property.
- The City of Denver, Colorado, where Urban Outfitters has three stores that were closed due to COVID, issued an order stating that shelter-in-place was necessary, in part, “to limit the damage to property within the City and County of Denver.”
- “Safer at Home” orders issued by the City of Los Angeles stated that COVID-19 “is physically causing property loss or damage due to its tendency to attach to surfaces for prolonged period of time.” Exhibit 2 shows three Urban Outfitters stores in Los Angeles were closed due to the presence of COVID-19 at property.
- The State of Illinois, where Urban Outfitters has twenty-eight stores that were closed due to the presence of COVID-19 at property, stated in a shelter-in-place order that “the circumstances surrounding COVID-19 have resulted in the occurrence and threat of widespread and severe damage, injury, and loss of life and property under Section 4 of the Illinois Emergency Management Agency Act.”
- The State of Maryland, where Urban Outfitters has twelve stores closed due to the presence of COVID at property, issued a shelter-in-place order stating that

“COVID-19 is a highly infectious respiratory disease that spreads easily from person to person, physically contaminates property by attaching to surfaces for prolonged periods of time, and may result in serious illness or death.”

- The City of Pittsburgh, Pennsylvania, where Urban Outfitters has three stores closed due to the presence of COVID-19 property, issued a stay-at-home order stating that COVID-19 was a “public disaster affecting life, health, property and the public peace.”

32. As a general matter, governmental authorities took actions in response to the loss or damage to property caused by the COVID-19 pandemic that limited, restricted, or prohibited partial or total access Urban Outfitters’ coved locations. These actions included, without limitation:

- Orders restricting or prohibiting travel both internationally and within national borders;
- Quarantine orders applicable to individuals that have COVID-19, whether or not symptomatic;
- Orders closing or limiting business facilities confirmed to have experienced the actual presence of confirmed cases of COVID-19 at their premises;
- Orders closing businesses or limiting access at locations without the confirmed or suspected presence of cases of COVID-19 at their premises, based on their geographic proximity to places where cases of COVID-19 occurred.

33. Such orders also resulted in Urban Outfitters’ inability to utilize its insured locations, which had become physically nonfunctional and inaccessible for the conduct of Urban

Outfitters' normal business operations due to the actual presence of COVID-19 communicable disease on the properties.

34. Urban Outfitters submitted a notice of loss to Zurich in March 2020.

35. Zurich denied coverage on May 18, 2020 because "[t]he presence of the COVID-19 virus does not constitute 'direct physical loss or damage' to property" and because "[t]he presence of the COVID-19 virus is excluded as a cause of loss under the Contamination Exclusion." Exhibit 3.

36. The May 18, 2020 denial letter raised other "exclusions" as being potentially applicable to Urban Outfitters' claim. Exhibit 3 at pp. 4-5.

37. Zurich's coverage denials are incorrect. Actual controversies therefore exist between Urban Outfitters and Zurich concerning Urban Outfitters' rights under the Policy in connection with its COVID-19 business income losses and extra expenses. Declarations from the court are therefore necessary and appropriate at this time to settle the actual controversies between the parties and enable Urban Outfitters to ascertain its rights under the Policy.

COUNT ONE
(Declaratory Relief – Direct Physical Loss of or Damage to Property)

38. Urban Outfitters repeats and realleges the allegations in the preceding paragraphs.

39. Urban Outfitters' claim is based on the presence of communicable disease at property, and not the presence of the "COVID-19 virus" at property.

40. The presence of the COVID-19 communicable disease at property damages property is discussed in paragraphs 19 through 30 above. It therefore constitutes "direct physical loss of or damage" to property necessary to trigger coverage under the Policy.

41. The “direct physical loss of or damage” to property caused by the COVID-19 communicable disease resulted in (i) necessary material physical alterations to Urban Outfitters’ insured locations, operations and systems, (ii) the imposition of physical occupancy restrictions Urban Outfitters’ insured locations, and (iii) the required physical closure of Urban Outfitters’ insured locations as described on Exhibit 2. These closures caused insured locations to become physically nonfunctional and inaccessible for the conduct of Urban Outfitters’ normal business operations.

42. Urban Outfitters incurred extra expenses due to the presence of the COVID-19 communicable disease at property, including (i) the purchase of personal protective equipment, sanitizer and thermometers, (ii) costs resulting from the disinfection and sanitization, (iii) security costs, (iv) costs for signage, (v) costs for installing plexiglass barriers, and (vi) costs for implementing additional social distancing measures

43. Urban Outfitters therefore seeks the following declarations from the court pursuant to the Declaratory Judgment Act, 42 Pa.C.S. §§ 7531-7541, confirming:

- The presence of the COVID-19 communicable disease at Urban Outfitters’ covered locations or within five miles of Urban Outfitters’ covered locations is “direct physical loss of or damage” to property.
- The presence of the COVID-19 communicable disease at Urban Outfitters’ covered locations or within five miles of Urban Outfitters’ covered locations entitles Urban Outfitters at least to the following Time Elements coverages in the Policy: (1) lost Gross Earnings or lost Gross Profits, (2) Leasehold Interest, (3) Tenants Prohibited Access, (4) Civil or Military Authority, (5) Ingress/Egress and (6) Extra Expense.

44. Declaratory relief by this Court will terminate some or all of the existing controversy between the parties.

COUNT TWO
(Declaratory Relief – Inapplicability of Contamination Exclusion)

45. Urban Outfitters repeats and realleges the allegations in the preceding paragraphs.

46. The Policy contains many amendatory endorsements that change certain coverages afforded by the Policy. Some are, by their terms, applicable only to risks insured in particular states. See, e.g., “Amendatory Endorsement – Connecticut” (“**THIS ENDORSEMENT APPLIES TO THOSE RISKS IN CONNECTICUT. PLEASE READ IT CAREFULLY**”). See EDGE-207-F (09/14), Page 1 of 4

47. Other amendatory endorsements use the name of a state in their title but do not limit the applicability of the endorsement to risks insured in the identified state. See, e.g., “Amendatory Endorsement – Alaska” (“**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY**”). See EDGE-201-B (03/11), Page 1 of 3.

48. Section 6.21 of the Policy states that “[t]he titles of the various paragraphs and endorsements are solely for reference and *shall not in any way affect the provisions to which they relate.*” (emphasis added).

49. The Policy contains an amendatory endorsement using the title “Louisiana” but, unlike the Connecticut amendatory endorsement noted above, does not limit its reach only to risks insured in Louisiana. Instead, this endorsement is like the Amendatory Endorsement – Alaska noted above (“**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY**”). See EDGE-2019-C (01/18), Page 1 of 3.

50. This particular endorsement deletes the Policy’s definition of “Contamination (Contaminated)” and “Contaminant(s)” and replaces it with the following definitions:

“Contamination (Contaminated) - Any condition of property due to the actual presence of any Contaminant(s). . . .” It defines “Contaminant(s)” as “Any solid, liquid, gaseous, thermal or other irritant, including but not limited to smoke, vapor, soot, fumes, acids, alkalis, chemicals, waste (including materials to be recycled, reconditioned or reclaimed), other hazardous substances, Fungus or Spores).” See EDGE-2019-C (01/18), Page 3 of 3.

51. This amendatory endorsement excludes pathogens, viruses, and disease-causing agents from its definition of “Contamination.” *Id.* Consequently, nothing in the Policy excludes coverage for anything even remotely related to a “virus.”

52. The “due to” requirements in the contamination exclusion are quite specific. They require a *direct relationship* between an identified contaminant and a resulting loss for the exclusion to bar coverage. This is quite different from the so-called “virus” exclusions that appear in policies written on a standard form published by the Insurance Services Office. Those provisions contain “anti-concurrent causation” verbiage that excludes coverage if a “virus” is a direct or indirect cause of a loss or if a “virus” is one of many causes of a loss. The contamination exclusion in the Policy, however, requires an excluded contaminant to be the *sole* and *immediate* cause of a loss to bar coverage. The direct and immediate cause of Urban Outfitters’ loss is the presence of the COVID-19 communicable disease at property. The definition of “contaminant” in the Policy does not include communicable disease.

53. Urban Outfitters does not seek coverage from Zurich for “contamination” or any cost “due to contamination.” It does not seek coverage for the condition of affected properties – such as the cost to remediate property or losses resulting from the diminution of the value of property – due to the presence of a contaminant on property. Instead, Urban Outfitters seeks various Time Element coverages due to its lost business income and extra expenses resulting

from the presence of the COVID-19 communicable disease at property, and the resulting closures of covered locations.

54. Urban Outfitters therefore seeks a declaration from the court pursuant to the Declaratory Judgment Act, 42 Pa.C.S. §§ 7531-7541, confirming that the contamination exclusion in the Policy does not bar Urban Outfitters' claim for Time Element coverages under the Policy.

55. Declaratory relief by this Court will terminate some or all of the existing controversy between the parties.

COUNT THREE
(Declaratory Relief – Inapplicability of Other Exclusions)

56. Urban Outfitters repeats and realleges the allegations in the preceding paragraphs.

57. Zurich's coverage denial letter identified other exclusions that "may" bar Urban Outfitters' claim.

58. One of the potentially applicable exclusions is for loss or damages resulting from the enforcement of law, ordinances or regulations. This is not applicable. Urban Outfitters' loss results from physical loss or damage at property, not the "enforcement" of laws, ordinances or regulations.

59. Zurich's denial letter also raised the possibility that a "loss or market" or "loss of use" exclusion bars Urban Outfitters' claims. This is incorrect, as well. Urban Outfitters' claim is due to physical loss or damage at property, not because it merely lost the ability to sell product or use its property.

60. Urban Outfitters therefore seeks a declaration from the court pursuant to the Declaratory Judgment Act, 42 Pa.C.S. §§ 7531-7541, confirming, to the extent pursued by

Zurich, neither the enforcement of laws, loss of market, nor loss of use exclusions in the Policy bar Urban Outfitters' claims.

61. Declaratory relief by this Court will terminate some or all of the existing controversy between the parties.

PRAYER FOR RELIEF

WHEREFORE, Urban Outfitters prays for the following relief:

A. Enter a judgment in its favor memorializing the declarations requested in paragraphs 42, 49 and 54;

B. Enter a judgment awarding Urban Outfitters its costs of suit incurred, including attorney's fees, and any other and further relief to which it may be entitled.

Illinois Civil Union Act Policyholder Notice

On June 1, 2011, Public Act 96-1513, the Religious Freedom Protection and Civil Union Act ("the Act") became effective. Under the Act, both same-sex and opposite-sex couples may enter into a civil union. A party to a civil union is entitled to the same legal obligations, responsibilities, protections, and benefits as are afforded or recognized by the law of Illinois a spouse; whether they derive from statute, administrative rule, common law, or any other source of civil or criminal law. A marriage between persons of the same sex, a civil union, or a substantially similar legal relationship other than common law marriage, legally entered into in another jurisdiction, shall be legally recognized in Illinois as a civil union.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE:

Illinois law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, the Employee Retirement Income Security Act of 1974, a federal law known as "ERISA" controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer' enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights.

The Louisiana legislature established the Louisiana Citizens Property Insurance Corporation to provide insurance to homeowners and other property owners who cannot find insurance coverage in the private market. Louisiana Citizens Property Insurance Corporation is permitted by law to fund its deficits through assessments on the private insurance market.

As a result of the 2005 hurricanes, Louisiana Property Insurance Corporation has issued an Emergency Assessment to be applied to all FAIR Plan assessable insureds. The Emergency Assessment applies to certain property insurance including insurance for fire, allied lines (including mobile homes), homeowners' multi-peril, and the property insurance portion of the commercial multi-peril policies. Insurers are required to collect and remit the Emergency Assessment to the Louisiana Citizens Property Insurance Corporation. The assessment is pro-rated for subsequent premium changes resulting from endorsement and cancellation activity.

The factor applied to this policy as a result of the Louisiana Citizens Property Insurance Corporation Emergency Assessment for new or renewal policies on or after January 1, 2019 is 2.65%:

2005 LA FAIR Plan Emergency Assessment	2.65%
--	-------

The emergency assessment is not subject to premium taxes, fees, or commissions.

Payments of the 2005 LA FAIR Plan Emergency Assessment may be refundable.

DISCLOSURE OF IMPORTANT INFORMATION

RELATING TO TERRORISM RISK INSURANCE ACT

SCHEDULE*

Premium attributable to risk of loss from certified acts of terrorism for lines of insurance subject to TRIA:

\$53,513.00

*Any information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Disclosure of Premium

In accordance with the federal Terrorism Risk Insurance Act ("TRIA"), as amended, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to the risk of loss from terrorist acts certified under that Act for lines subject to TRIA. That portion of premium attributable is shown in the Schedule above. The premium shown in the Schedule above is subject to adjustment upon premium audit, if applicable.

B. Disclosure of Federal Participation in Payment of Terrorism Losses

The United States Government may pay a share of insured losses resulting from an act of terrorism. The federal share will decrease by 5% from 85% to 80% over a five year period while the insurer share increases by the same amount during the same period. The schedule below illustrates the decrease in the federal share:

January 1, 2015 – December 31, 2015 federal share: 85%

January 1, 2016 – December 31, 2016 federal share: 84%

January 1, 2017 – December 31, 2017 federal share: 83%

January 1, 2018 – December 31, 2018 federal share: 82%

January 1, 2019 – December 31, 2019 federal share: 81%

January 1, 2020 – December 31, 2020 federal share: 80%

C. Disclosure of \$100 Billion Cap on All Insurer and Federal Obligations

If aggregate insured losses attributable to terrorist acts certified under TRIA exceed \$100 billion in a calendar year (January 1 through December 31) and an insurer has met its deductible under the program, that insurer shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of Treasury.

D. Availability

As required by TRIA, we have made available to you for lines subject to TRIA coverage for losses resulting from acts of terrorism certified under TRIA with terms, amounts and limitations that do not differ materially from those for losses arising from events other than acts of terrorism.

E. Definition of Act of Terrorism under TRIA

TRIA defines "act of terrorism" as any act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act ("TRIA"), to be an act of terrorism. The Terrorism Risk Insurance Act provides that the Secretary of Treasury shall certify an act of terrorism:

1. To be an act of terrorism;
2. To be a violent act or an act that is dangerous to human life, property or infrastructure;

3. To have resulted in damage within the United States, or outside of the United States in the case of an air carrier (as defined in section 40102 of Title 49, United States Code) or a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), or the premises of a United States mission; and
4. To have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

No act may be certified as an act of terrorism if the act is committed as part of the course of a war declared by Congress (except for workers' compensation) or if losses resulting from the act, in the aggregate for insurance subject to TRIA, do not exceed \$5,000,000.

2.05. DEDUCTIBLES

Each claim for loss or damage as insured against arising out of any one (1) **Occurrence** shall be adjusted separately. - 2.05.01. A deductible that applies on a per **Location** basis will apply separately to each **Location** where the physical loss or damage occurred regardless of the number of **Locations** involved in the **Occurrence**.

 - 2.05.04.02. the amount of covered damage for each location where the amount of covered damage is less than specified location deductible.
- 2.05.05. For the Insured's **International Insurance Program**, it is agreed that for the purpose of the application of the deductible(s), that the deductible(s) amounts that apply to types of coverage, causes of loss, specific **Locations** or specific property will be subject to the deductible(s) under this Policy.

If the deductible(s) under the **Specific Local Policy** or **FoS (Freedom of Services) policy** is greater than the applicable deductible(s) as shown in the Declarations for the loss for the same **Occurrence** payable under this Policy, the Company shall undertake to reimburse the amount that exceeds the applicable deductible(s) as shown in the Declarations of this policy.

If the deductible(s) under the **Specific Local Policy** or **FoS (Freedom of Services) policy** is less than the applicable deductible(s) as shown in the Declarations for the loss for the same **Occurrence** payable under this Policy, then the difference between the applicable deductible under this Policy and the applicable deductible under the **Specific Local Policy** or **FoS (Freedom of Services) policy** will be applied under this Policy.

4.01. LOSS INSURED

4.01.01. The Company will pay for the actual Time Element loss the Insured sustains, as provided in the Time Element Coverages, during the Period of Liability. The Time Element loss must result from the necessary **Suspension** of the Insured's business activities at an Insured Location. The **Suspension** must be due to direct physical loss of or damage to Property (of the type insurable under this Policy other than **Finished Stock**) caused by a **Covered Cause of Loss** at the **Location**, or as provided in Off Premises Storage for Property Under Construction Coverages.

The Company will also pay for the actual Time Element loss sustained by the Insured, during the Period of Liability at other Insured Locations. The Time Element loss must result from the necessary **Suspension** of the Insured's business activities at the other Insured Locations. Such other Location must depend on the continuation of business activities at the **Location** that sustained direct physical loss or damage caused by a **Covered Cause of Loss**.

4.01.02. There is recovery only to the extent that the Insured is:

4.01.02.01. unable to make up lost production within a reasonable period of time not limited to the period during which production is **Suspended**;

4.01.02.02. unable to continue such operations or services during the Period of Liability; and

4.01.02.03. able to demonstrate a loss of revenue for the operations, services or production **Suspended**.

4.01.03.01. The Insured resuming business activities in whole or part;

4.01.03.02. Using damaged or undamaged property (including **Raw Stock**, **Stock in Process** or **Finished Stock**) at the Insured Location or elsewhere;

4.01.04. The Company will include in any calculation the combined operating results of all Insured Locations in determining the Time Element loss.

4.01.05. In determining the Time Element loss, the Company will evaluate the experience of the business before and after the loss or damage and the probable experience had no direct physical loss or damage occurred at an Insured Location during the Period of Liability.

4.02. TIME ELEMENT COVERAGES

4.02.01. GROSS EARNINGS-

4.02.01.01. Gross Earnings loss is the actual loss sustained by the Insured during the Period of Liability.

4.02.01.02. Gross Earnings value is determined as follows:

4.02.01.02.01. The sum of:

4.02.01.02.01.01. Total net sales value of production;

4.02.01.02.01.02. Total net sales of **Merchandise**;

4.02.01.02.02.04. Service(s) purchased from outsiders (not Insured's employees) for resale, which do not continue under contract.

4.02.01.02.03. Gross Earnings loss is determined as follows:

Gross Earnings value that would have been earned during the Period of Liability, less charges and expenses that do not necessarily continue during the Period of Liability.

Consideration shall be given to the continuation of normal charges and expenses, including **Ordinary Payroll** for the number of consecutive days as stated in the Declarations but not to exceed the limit shown for **Ordinary Payroll**, to the extent necessary to resume the Insured's business activities with the same quality of service that existed immediately preceding the loss.

4.02.01.02.04. This Policy will also pay the reasonable and necessary expenses incurred (except the cost to extinguish a fire) by the Insured to reduce the amount of Gross Earnings loss during the Period of Liability. This Policy will pay for such expenses to the extent that they do not exceed the amount of Gross Earnings loss that otherwise would have been payable. This provision will not pay for the cost of permanent repair or replacement of property that has suffered direct physical loss or damage.

4.02.01.02.05. This Policy will also pay the increased tax liability incurred by the Insured due to the profit portion of a Gross Earnings loss payment being greater than the tax liability incurred on the profits that would have been earned had no loss occurred.

4.02.02. EXTENDED PERIOD OF LIABILITY

Upon the termination of the coverage for Gross Earnings loss under 4.02.01.01. this Policy will continue to pay the actual Gross Earnings loss sustained by the Insured until the earlier of:

4.02.02.01. The date the Insured could restore its business with due diligence, to the condition that would have existed had no direct physical loss or damage occurred to the Insured's Covered Property; or

4.02.02.02. The number of consecutive days as stated in the Declarations

4.02.02.03. Exclusion 4.02.06.01.02.01. is deleted during the Extended Period of Liability and is replaced with:

4.02.06.01.02.01. A reduction in sales after the Extended Period of Liability ends due to suspension, cancellation or lapse of any lease, contract, license or orders.

4.02.03. EXTRA EXPENSE

The Company will pay for the reasonable and necessary Extra Expenses incurred by the Insured, during the Period of Liability, to resume and continue as nearly as practicable the Insured's normal business activities that otherwise would be necessarily suspended, due to direct physical loss of or damage caused by a **Covered Cause of Loss** to Property of the type insurable under this policy at a **Location**.

The Company will reduce the amount payable as Extra Expense by the fair market value remaining at the end of the Period of Liability for property obtained in connection with the above.

Extra Expenses mean that amount spent to continue the Insured's business activities over and above the expenses the Insured would have normally incurred had there been no direct physical loss of or damage caused by a **Covered Cause of Loss** to Property of the type insurable under this policy at a **Location**. Extra Expense does not include any Gross Earnings loss or Gross Profit loss, the cost of permanent repair or replacement of property that has suffered direct physical loss or damage, or expenses otherwise payable elsewhere in the Policy.

4.02.04. LEASEHOLD INTEREST

The Company will pay for the actual Leasehold Interest loss incurred by the Insured (as lessee) resulting from direct physical loss of or damage caused by a **Covered Cause of Loss** to a building (or structure) which is leased and not owned by the Insured, as follows:

4.02.04.01. If the building (or structure) becomes wholly untenable or unusable and the lease agreement requires continuation of the rent, the Company will pay the Insured the present value of the actual rent payable for the unexpired term of the lease, not including any options;

4.02.04.02. If the building (or structure) becomes partially untenable or unusable and the lease agreement requires continuation of the rent, the Company will pay the Insured for the present value of the proportionate amount of the actual rent payable for the unexpired term of the lease, not including any options; or

4.02.04.03. If the lease is cancelled by the lessor pursuant to the terms of the lease agreement or by operation of law, this Policy will pay the Insured for their **Lease Interest** for the first three (3) months following the loss or damage and for their **Net Lease Interest** for the remaining unexpired term of the lease.

4.02.04.04. The Insured must use any suitable property or service owned, controlled, or obtainable from any source to reduce the loss.

4.02.04.05. In addition to the exclusions elsewhere in this Policy, the Leasehold Interest Coverage excludes:

4.02.04.05.01. Any increase in the Leasehold Interest loss resulting from the suspension, lapse or cancellation of any lease;

4.02.04.05.02. Any loss from the Insured exercising an option to cancel the lease; or

4.02.04.05.03. Any loss from an act or omission by the Insured that constitutes default under the lease.

4.02.05. GROSS PROFIT

Gross Profit applies to Insured Locations outside of the USA, its territories and possessions and the Commonwealth of Puerto Rico.

4.02.05.01. Gross Profit loss is determined as follows:

[{Standard Turnover} minus {Turnover during the Period of Liability}] multiplied by [Rate of Gross Profit] plus:

4.02.05.01.01. The expenses, (except the cost to extinguish a fire), that the Insured incurs during the Period of Liability for the sole purpose of minimizing any reduction in **Turnover**. These expenses are not to exceed the amount produced by multiplying the **Rate of Gross Profit** by the amount of any reduction in **Turnover** avoided as a result of such expenses; minus

4.02.05.01.02. The sum of all expenses, payable out of **Gross Profit**, which cease or are reduced during the Period of Liability; minus

4.02.05.01.03. **Wages** that continue in excess, of the number of consecutive days as stated in the Declarations or the limit shown, for **Wages**.

4.02.05.02. If during the Period of Liability property is sold or services rendered elsewhere than at the Insured Location for the benefit of the Insured's business activities either by the Insured or by others on the Insured's behalf, the money paid or payable in respect of such sales or services shall be brought into account in arriving at the **Turnover** during the Period of Liability.

4.02.05.03. Adjustments will be made if any shortage in **Turnover** due to the direct physical loss or damage is postponed by reason of the **Turnover** being temporarily maintained from accumulated stocks of finished goods in warehouses and/or depots.

4.02.05.04. Adjustments will be made to **Rate of Gross Profit** and **Standard Turnover** as necessary to provide for: the trend, variations in, or special circumstances affecting the Insured's business activities either before or after the physical loss or damage, or which would have affected the Insured's business activities had the physical loss or damage not occurred. Adjusted figures shall represent as nearly as may be reasonably practicable the results which but for the physical loss or damage would have been obtained during the Period of Liability.

4.02.05.05. This Policy will also pay the increased tax liability incurred by the Insured due to the profit portion of a Gross Profit loss payment being greater than the tax liability of the profits that would have been incurred had no loss occurred.

4.02.05.06. Exclusion 4.02.06.01.02.01. is deleted for Gross Profit loss and is replaced with:

4.02.06.01.02.01. A reduction in sales after the Period of Liability ends due to suspension, cancellation or lapse of any lease, contract, license or orders.

4.02.06. EXCLUSIONS

In addition to the exclusions elsewhere in this Policy, the following exclusions apply to Time Element Coverage;

4.02.06.01. This Policy does not insure against:

- 4.02.06.01.01. Any loss during any idle period that would have been experienced had the **Suspension** of business activities not occurred. This includes, but is not limited to, when production, operation, services, delivery or receipt of goods or services or any other business activities would have ceased, or would not have taken place or would have been prevented due to:
- 4.02.06.01.01.01. Planned or rescheduled shutdown;
- 4.02.06.01.01.02. Strikes or other work stoppage; or
- 4.02.06.01.01.03. Any reason other than physical loss or damage insured by this Policy.
- 4.02.06.01.02. Any increase in Time Element loss due to:
- 4.02.06.01.02.01. Suspension, cancellation or lapse of any lease, contract, license or orders;
- 4.02.06.01.02.02. Fines or damages for breach of contract or for late or non-completion of orders;
- 4.02.06.01.02.03. Penalties of any nature; or
- 4.02.06.01.02.04. Any other consequential or remote factors.
- 4.02.06.01.03. Any loss resulting from loss or damage to **Finished Stock**, nor the time required for their reproduction.
- 4.02.06.01.04. Any Time Element loss due to physical loss or damage not insured by this Policy on or off of the Insured Location.
- However, in the event that a **Suspension** is due to a **Covered Cause of Loss** and during such **Suspension** a loss that is otherwise excluded occurs, the Company will pay for the Time Element loss which is directly caused by the **Covered Cause of Loss** to Covered Property under this Policy.
- 4.02.06.01.05. Any Time Element loss resulting from damage to Property of Others; however this exclusion does not apply to Time Element loss suffered by the Insured as a direct result of the damage to Property of Others.

4.03. PERIOD OF LIABILITY

- 4.03.01. The Period of Liability applying to all Time Element Coverages, except Gross Profit and Leasehold Interest, and as shown below or if otherwise provided under any Special Coverage, and subject to any Time Limit provided in 2.03.09., is as follows:
- 4.03.01.01. For building and equipment: The period starting from the time of physical loss or damage of the type insured against and ending when with due diligence and dispatch the building and equipment could be repaired or replaced, and made ready for operations under the same or equivalent physical and operating conditions that existed prior to the damage. The expiration of this Policy will not limit the Period of Liability.
- 4.03.01.02. For building and equipment under construction: The equivalent of the above period of time will be applied to the level of business that reasonably would have been achieved after construction and startup would have been completed had there been no direct physical loss or damage. Due consideration will be given to the actual experience of the business after completion of the construction and startup.

- 4.03.01.03. For **Stock in Process** and **Merchandise**: The period of time required with the exercise of due diligence and dispatch to restore **Stock in Process** to the same state of manufacture in which it stood at the inception of the interruption of production or suspension of business operations or services and to replace physically damaged **Merchandise**.
- 4.03.01.04. For **Raw Materials** and supplies: The period of time of actual interruption of production or suspension of operations or services resulting from the inability to get suitable **Raw Materials** and supplies to replace **Raw Materials** and supplies damaged, but limited to that period for which the damaged **Raw Materials** and supplies would have supplied operating needs.
- 4.03.02. The Period of Liability applying to Gross Profit is as follows:
- 4.03.02.01. The period starting from the time of direct physical loss or damage of the type insured against and ending not later than the period of time shown in 2.03.09., during which period the results of the business shall be directly affected by such direct physical loss or damage. The expiration of this Policy will not limit the Period of Liability.
- 4.03.02.02. For property under construction: The period starting on the date that production, business operation or service would have commenced if physical damage of the type insured against had not happened and ending not later than the period of time shown in 2.03.09., during which period the results of the business shall be directly affected by such damage. The expiration of this Policy will not limit the Period of Liability.
- The **Rate of Gross Profit** and **Standard Turnover** will be based on the experience of the business after construction is completed and the probable experience during the Period of Liability.
- 4.03.03. The Period of Liability applying to all Time Element Coverage, except Gross Profit and Leasehold Interest, or if otherwise provided under any Special Coverage, and subject to any Time Limit provided in 2.03.09., does not include any additional time due to the Insured's inability to resume operations for any reason, including but not limited to:
- 4.03.03.01. Making changes to equipment;
- 4.03.03.02. Making changes to the buildings or structures except as provided in the Increased Costs of Construction Coverage of the Special Coverages section; or
- 4.03.03.03. Re-staffing or retraining employees.

SECTION V - SPECIAL COVERAGES & DESCRIBED CAUSES OF LOSS

5.01. OPERATION OF SPECIAL COVERAGES & DESCRIBED CAUSES OF LOSS:

- 5.01.01. Special Coverages & **Described Causes of Loss** are subject to the applicable Limit of Liability and are included within and will not increase the Policy Limit.
- 5.01.02. Special Coverages & **Described Causes of Loss** are subject to the Policy provisions, including applicable exclusions and deductibles, all as shown in this section and elsewhere in this Policy, whether or not a Limit of Liability is shown.
- 5.01.03. If coverage is afforded under any Special Coverage or **Described Cause of Loss**, the applicable Limit of Liability for that Special Coverage or **Described Cause of Loss** is the most the Company will pay for all the loss or damage described therein even if coverage would otherwise be available under any other part of this Policy.
- 5.01.04. If no Limit of Liability is shown in this Policy, the Limit of Liability for that Special Coverage or **Described Cause of Loss** is part of the Policy Limit.
- 5.01.05. If **NCP** is shown for any Special Coverage or **Described Cause of Loss** in this Policy, then no coverage is provided for that Special Coverage or **Described Cause of Loss**.
- 5.01.06. If two or more Limits of Liability apply to a claim for loss or damage, or some part thereof, the lesser applicable Limit of Liability shall apply to the claim, or to the part thereof.
- 5.01.07. The Company will pay no more in any one (1) **Occurrence** than our proportionate share of any applicable Limit of Liability regardless of the number of **Locations** affected by such **Occurrence** and regardless of whether additional or greater limits would otherwise be available under any other part of this Policy.
- 5.01.08. Any **Annual Aggregate** limit is the most the Company will pay in the **Policy Year** regardless of the number of **Occurrences**.
- 5.01.09. In the event of loss or damage involving any one or more of the following Special Coverage or **Described Causes of Loss**, the Company will pay no more for the total of all such coverage combined than our proportionate share of the Policy Limit.

5.02. DESCRIPTION OF SPECIAL COVERAGES

5.02.01. ACCOUNTS RECEIVABLE

- .
- The Company will pay for the actual loss sustained resulting from direct physical loss of or damage caused by a **Covered Cause of Loss** to the Insured's accounts receivable records as respects the following:
- 5.02.01.01. All sums due the Insured from customers, provided the Insured is unable to collect these sums as a result of direct physical loss or damage to accounts receivable records;
- 5.02.01.02. Interest charges on any loan obtained by the Insured to offset impaired collections resulting from direct physical loss of or damage to accounts receivable records but only for such period of time reasonable and necessary for the Insured to resume normal collections;

- 5.02.01.03. Necessary collection expense in excess of normal collection cost due to direct physical loss of or damage to accounts receivable records; and
- 5.02.01.04. Other expenses, when reasonably incurred by the Insured in re-establishing accounts receivable records following direct physical loss of or damage to accounts receivable records.
- 5.02.01.05. For the purpose of this insurance, credit card charge records shall be deemed to represent sums due the Insured from customers, until the charge records are delivered to the credit card company.
- 5.02.01.06. When there is proof that direct physical loss of accounts receivable records has occurred and the Insured cannot accurately establish the total amount of accounts receivable outstanding as of the date of loss, the amount payable shall be computed as follows:
- 5.02.01.06.01. The monthly average of accounts receivable during the last available twelve (12) months; the reasonable and necessary collection expenses in excess of normal collection costs due to direct physical loss of or damage to accounts receivable records; and the reasonable and necessary expenses incurred in reestablishing accounts receivable records following direct physical loss or damage, shall be adjusted in accordance with the percentage increase or decrease in the twelve (12) months average of monthly gross revenues which may have occurred in the interim.
- 5.02.01.06.02. The monthly amount of accounts receivable as established in 5.02.01.06.01.above shall be further adjusted in accordance with any demonstrable variance from the average for the particular month in which the loss occurred. Consideration will also be given to the normal fluctuations in the amount of accounts receivable within the fiscal month involved.
- 5.02.01.06.03. The Company shall deduct from the total amounts of account receivable, the amount of accounts evidenced by records not lost or damaged, or otherwise established or collected by the Insured, and an amount to allow for probable bad debts which the Insured normally would have been unable to collect and for the normal collection costs incurred due to accounts receivable.
- 5.02.01.07. The following additional exclusion applies:
- This Coverage does not insure against shortage resulting from bookkeeping, accounting, billing errors or omissions, alteration, falsification, manipulation, concealment, destruction or disposal of accounts receivable records committed to conceal the wrongful giving, taking, obtaining or withholding of money, securities or other property; but only to the extent of such wrongful giving, taking, obtaining or withholding.

5.02.03. CIVIL OR MILITARY AUTHORITY

The Company will pay for the actual Time Element loss sustained by the Insured, as provided by this Policy, resulting from the necessary **Suspension** of the Insured's business activities at an Insured Location if the **Suspension** is caused by order of civil or military authority that prohibits access to the **Location**. That order must result from a civil authority's response to direct physical loss of or damage caused by a **Covered Cause of Loss** to property not owned, occupied, leased or

rented by the Insured or insured under this Policy and located within the distance of the Insured's Location as stated in the Declarations. The Company will pay for the actual Time Element loss sustained, subject to the deductible provisions that would have applied had the physical loss or damage occurred at the Insured Location, during the time the order remains in effect, but not to exceed the number of consecutive days following such order as stated in the Declarations up to the limit applying to this Coverage.

5.02.04. COMPUTER SYSTEMS DAMAGE

The Company will pay for direct physical loss of or damage to the Insured's **Electronic Data, Programs, Software** and the actual Time Element loss sustained, as provided by this Policy, during the **Period of Interruption** directly resulting from mysterious disappearance of code, any failure, malfunction, deficiency, deletion, fault, **Computer Virus** or corruption to the Insured's **Electronic Data, Programs, Software** at an Insured Location. The Company will also pay for such loss or damage that may arise out of or result from any authorized or unauthorized access in, of, or to any computer, communication system, file server, networking equipment, computer system, computer hardware, data processing equipment, computer memory, microchip, microprocessor, integrated circuit or similar device.

This Coverage will only apply when the **Period of Interruption** exceeds the time shown as **Qualifying Period** in the **Qualifying Period** clause of the Declarations section. If the **Qualifying Period** is exceeded, then this Policy will pay for the amount of loss in excess of the Policy Deductible, but not more than the limit applying to this Coverage.

5.02.04.01. The following additional exclusions apply:

5.02.04.01.01. The Company will not pay for any loss or damage to **Electronic Data, Programs or Software** when they are **Raw Stock, Stock in Process, Finished Stock** manufactured by the Insured, and supplies or other **Merchandise**.

5.02.05.01.02. In determining the indemnity payable hereunder, the Company will consider the amount of income derived before the date of physical loss or damage and the probable amount of income after the date of loss or damage.

The Policy also covers the actual Time Element loss sustained by the Insured, during the Period of Liability resulting from the necessary **Suspension** of the Insured's business activities at that **Location**, if the **Suspension** is caused by direct physical loss of or damage caused by a **Covered Cause of Loss** to such Property.

The water supply must be used as a **Raw Material** or for generation of power or for other manufacturing purposes. The inadequate supply of water must result from the release of the water from the water supply and be caused by direct physical loss of or damage caused by a **Covered Cause of Loss** to the dam, reservoir, or connected equipment. The Company will pay for the actual Time Element loss sustained, subject to the deductible provisions that would have applied had the physical loss or damage occurred at the Insured Location, during the time ingress or egress remains prevented by physical obstruction but not to exceed the number of consecutive days as stated in the Declarations following such obstruction up to the limit applying to this Coverage.

6.02.02.01. The Company may non-renew this Policy by mailing or delivering to the **First Named Insured** written notice, the number of days before the non-renewal, as permitted by law in the jurisdiction where in the property is located.

6.03. CERTIFICATES OF INSURANCE

Any certificate of insurance issued in connection with this Policy is provided solely as a matter of convenience or information for the addressee(s) or holder(s) of such certificate of insurance, except as provided under the Policy when a loss payee(s) or mortgagee(s) are named. The certificate does not amend, extend or alter the coverage afforded by the Policy.

In the event this policy is cancelled pursuant to the CANCELLATION/NON-RENEWAL provision, other than for nonpayment of premium, and except as provided otherwise, the Company shall endeavor to provide notice of cancellation to those entities set out in the certificates of insurance on file with the Company, as soon as practicable, after notifying the **First Named Insured**. However, in no event will failure to provide notice to entities set out in certificates of insurance waive the Company's right or ability to cancel the policy as allowed by law.

The Company hereby authorizes the Producer named on the Policy to issue certificates of insurance consistent with the foregoing.

6.04. CONCEALMENT, MISREPRESENTATION OR FRAUD

6.04.01. This Policy is void as to all Insureds in any case of fraud by any Insured as it relates to this Policy at any time. It is also void if any Insured, at any time, intentionally conceals or misrepresents a material fact concerning:

6.04.01.01. This Policy;

6.04.01.02. The Covered Property;

6.04.01.03. The Insured's interest in Covered Property; or

6.04.01.04. A claim under this Policy.

6.05. CONTROL OF DAMAGED GOODS

In the event of direct physical loss of or damage caused by a **Covered Cause of Loss** to **Finished Stock** or **Merchandise** that carries the Insured's brand or trade name; this Policy gives control of the physically damaged property as follows, all subject to 6.05.05.

6.05.01. The Insured will have full rights to the possession, control and disposition of damaged property in the event of insured direct physical loss or damage to such property provided the Company agrees that the property is physically damaged.

6.05.02. The Insured, using reasonable judgment, will decide if the Insured can reprocess or sell the physically damaged property.

6.05.03. If the Company takes possession of property that carries the Insured's brand or trade name that has sustained direct physical loss or damage, the Company will pay for the Insured or the Insured representative to stamp "salvage", remove, or obliterate the brand, label or trade name on the property or its containers if doing so will not damage the property. In either event, the Insured must re-label such property or its containers to comply with any applicable law.

6.05.04. The salvage value of property that is claimed damaged shall be determined at the time of loss.

6.05.05. The Insured will allow the Company to deduct from the amount of loss otherwise payable, the fair market value of such salvage, which could have been obtained on any sale or other disposition of goods or products through normal insurance industry salvage practices.

6.06. CURRENCY FOR LOSS PAYMENT

- 6.06.01. Losses will be adjusted and paid in the currency designated in 2.02., unless directed otherwise by the Insured. In the event of a loss adjustment involving **Local Currency**, the exchange-selling rate will be calculated as follows:
- 6.06.01.01. As respects the calculation of deductibles and Limits of Liability, the rate of exchange published in the Midwest Ed. of The Wall Street Journal on the date of settlement.
- 6.06.01.02. As respects direct physical loss or damage to Real and Personal Property:
- 6.06.01.02.01. The cost to repair or replace Real and Personal Property will be converted at the time the cost of repair or replacement is incurred based on the rate of exchange published in the Midwest Ed. of The Wall Street Journal on the date of settlement.
- 6.06.01.02.02. If such property is not replaced or repaired, the conversion will be based on the rate of exchange published in the Midwest Ed. of The Wall Street Journal on the date of loss.
- 6.06.01.03. As respects Time Element loss the conversion will be based on the average of the rate of exchange published in the Midwest Ed. of The Wall Street Journal on the date of loss and the rate of exchange published in the Midwest Ed. of The Wall Street Journal on the last day of the Period of Liability.
- 6.06.01.04. If the Midwest Ed. of The Wall Street Journal was not published on the stipulated date, or the rate of exchange was not published on the stipulated date, the rate of exchanged will be as published on the next business day the rate is published.

6.07. INSPECTIONS AND SURVEYS

- 6.07.01. The Company has the right but not the obligation to make inspections and surveys at any time, to give the Insured reports on the conditions found, and to recommend changes.
- 6.07.02. Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. The Company does not make safety inspections. The Company does not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public, nor does it represent that conditions are safe, healthful, or comply with laws, regulations, codes or standards.
- 6.07.03. This condition applies not only to the Company, but also to any rating, advisory, rate service or similar organization that makes insurance inspections, surveys, reports or recommendations.

6.08. JOINT LOSS

This clause applies only if all of the following requirements are met:

- 6.08.01. The **BREAKDOWN OF EQUIPMENT** Coverage is shown as NCP in the Declarations of this Policy and the **BREAKDOWN OF EQUIPMENT** Coverage carried by the Named Insured, insuring the Covered Property contains a similar Joint Loss provision with substantially the same requirements, procedures, and conditions as contained in this Policy.
- 6.08.02. The loss or damage to the Covered Property was caused by a **Covered Cause of Loss** for which both the Insurer(s) of the Property Coverage and the Insurer(s) of the **BREAKDOWN OF EQUIPMENT** Coverage admit to some liability for payment under the respective policies.

- 6.08.03. The total amount of loss is agreed to by the Insured, the Insurer(s) of the Property Coverage and the Insurer(s) of the **BREAKDOWN OF EQUIPMENT** Coverage.
- 6.08.04. The Insurer(s) of the Property Coverage and the Insurer(s) of the **BREAKDOWN OF EQUIPMENT** Coverage disagree as to the amount of loss that both should pay that is attributable to:
- 6.08.04.01. An accident covered under the **BREAKDOWN OF EQUIPMENT** Coverage; and
- 6.08.04.02. A **Covered Cause of Loss** under the Property Coverage.
- 6.08.05. If the requirements listed above are satisfied, the Insurer(s) of the Property Coverage and of the **BREAKDOWN OF EQUIPMENT** Coverage will make payments to the extent, and in the manner, described in the following:
- 6.08.05.01. The Insurer(s) of the **BREAKDOWN OF EQUIPMENT** Coverage will pay, after the Insured's written request, the entire amount of loss that they have agreed as being covered by **BREAKDOWN OF EQUIPMENT** Coverage and one-half (1/2) the amount of loss that is in disagreement.
- 6.08.05.02. The Insurer(s) of the Property Coverage will pay, after the Insured's written request, the entire amount of loss that they have agreed as being covered by the Property Coverage and one-half (1/2) the amount of loss that is in disagreement.
- 6.08.05.03. The amount in disagreement to be paid by the Insurer(s) of the **BREAKDOWN OF EQUIPMENT** Coverage and the Insurer(s) of the Property Coverage under this Joint Loss provision shall not exceed the amount payable under the equivalent loss adjustment provisions of the Insurer(s) of the Property Coverage and the **BREAKDOWN OF EQUIPMENT** Coverage.
- 6.08.06. The amount to be paid under this Joint Loss provision shall not exceed the amount that would have been paid had no Property Coverage or, in the alternative, no **BREAKDOWN OF EQUIPMENT** Coverage been in effect at the time of loss.
- 6.08.07. Acceptance by the Insured of sums paid under this Joint Loss provision does not alter, waive or surrender any other rights against the Insurer(s).
- 6.08.08. Additional Conditions:
- 6.08.08.01. The Insurer(s) of the Property Coverage and the Insurer(s) of the **BREAKDOWN OF EQUIPMENT** Coverage agree to submit their differences to arbitration within 90 days after payment of the loss under the terms of this Joint Loss provision.
- 6.08.08.02. The Insured agrees to cooperate with any arbitration procedures. There will be three arbitrators: one will be appointed by the Insurer(s) of the **BREAKDOWN OF EQUIPMENT** Coverage and the one will be appointed by the Insurer(s) of the Property Coverage. The two arbitrators will select a third arbitrator. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. A decision agreed to by two of the three arbitrators will be binding on both parties. Judgment on any award can be entered in any court that has jurisdiction. The Insurer(s) of the **BREAKDOWN OF EQUIPMENT** Coverage will pay their designated arbitrator and the Insurer(s) of the Property Coverage will pay their designated arbitrator. The Insurer(s) of the **BREAKDOWN OF EQUIPMENT** and the Insurer(s) of the Property Coverage will split the expense of the third arbitrator.

6.09. JURISDICTION

Any disputes arising hereunder will be exclusively subject to the jurisdiction of a court of competent jurisdiction within the USA.

6.10. LENDERS LOSS PAYEE AND MORTGAGE HOLDER INTERESTS AND OBLIGATIONS

6.10.01. When specified in the Policy or in Certificates of Insurance on file with the Company, the Company will pay for covered loss to property insured under this Policy to each:

6.10.01.01. Lender Loss Payee (hereinafter referred to as Lender) as its interest may appear, in order of precedence; or

6.10.01.02. Mortgagee as its interest may appear, in order of precedence.

6.10.02. The interest of the specified Lender or Mortgagee in property insured under this Policy will not be invalidated by:

6.10.02.01. Any act or neglect of any Insured.

6.10.02.02. Commencement of foreclosure, notice of sale, or similar proceedings with respect to the property.

6.10.02.03. Change in the title or ownership of the property.

6.10.02.04. Change to a more hazardous occupancy.

6.10.03. The Lender or Mortgagee will notify the Company of any known change in ownership, occupancy, or hazard and, within ten (10) days of written request by the Company, may pay the increased premium associated with such known change. If the Lender or Mortgagee fails to pay the increased premium, all coverage under this Policy will cease.

6.10.04. In the event of a claim, upon request of the Company, the Lender or Mortgagee will cooperate in any claim investigation.

6.10.05. If this Policy is cancelled at the request of the Insured or its agent, the coverage for the interest of the Lender or Mortgagee will terminate ten (10) days after the Company sends to the Lender or Mortgagee written notice of cancellation, unless:

6.10.05.01. Earlier terminated by authorization, consent, approval, acceptance, or ratification of the Insured's action by the Lender, Mortgagee, or its agent.

6.10.05.02. This Policy is replaced by the Insured, with a policy providing coverage for the interest of the Lender or Mortgagee, in which event coverage under this Policy with respect to such interest will terminate as of the effective date of the replacement policy, notwithstanding any other provision of this Policy.

6.10.06. The Company may cancel this Policy and/or the interest of the Lender or Mortgagee under this Policy, by sending the specified Lender or Mortgagee written notice sixty (60) days prior to the effective date of cancellation, if cancellation is for any reason other than non-payment of premium. If the Insured has failed to pay any premium due under this Policy, the Company may cancel this Policy for such non-payment, but will send the Lender or Mortgagee written notice ten (10) days prior to the effective date of cancellation. If the Lender or Mortgagee fails to pay the premium due by the specified cancellation date, all coverage under this Policy will cease.

- 6.10.07. The Company has the right to invoke this Policy's Suspended Property clause. When the Company suspends the insurance, it will apply to the interest of any Lender or Mortgagee. The Company will send the specified Lender or Mortgagee, at the last known address, a copy of such notice.
- 6.10.08. If the Company pays a Lender or Mortgagee for any loss, and denies payment to the Insured, the Company will, to the extent of the payment made to the Lender or Mortgagee be subrogated to the rights of the Lender or Mortgagee under all securities held as collateral. No subrogation will impair the right of the Lender or Mortgagee to recover the full amount of its claim. At its option, the Company may pay to a Lender or Mortgagee the whole principal due on the debt or mortgage plus any accrued interest and charges. In this event, all rights and securities will be assigned and transferred from the Lender or Mortgagee to the Company, and the remaining debt or mortgage will be paid to the Company.
- 6.10.09. If the Insured fails to render proof of loss, the Lender or Mortgagee, upon notice of the Insured's failure to do so, will render proof of loss within sixty (60) days of notice and will be subject to the Insured's duties, obligations and provisions of this Policy when presenting a claim.
- 6.10.10. In no event will the amount payable to a Lender or Mortgagee exceed the amount which would be payable to the Named Insured.

6.11. LIBERALIZATION

If during the period that insurance is in force under this Policy, any filed rules or regulations are revised by statute so as to broaden this insurance without additional premium charge, such extended or broadened insurance will inure to the benefit of the Insured within such jurisdiction, effective the date of the change specified in such statute.

6.12. LOSS ADJUSTMENT/PAYABLE

Loss, if any, will be adjusted with and payable to the **First Named Insured** as shown on this Policy, or as directed by the **First Named Insured**.

When a Lender or Mortgagee is named in the Certificates of Insurance on file with the Company, the Lender or Mortgagee will be included in loss payment as their interests may appear.

When a Loss Payee is named in the Certificates of Insurance on file with the Company, the loss payee will be included in loss payments made to the insured as their interests may appear. The loss payee has no other rights under the policy.

6.13. LOSS CONDITIONS

6.13.01. DUTIES IN THE EVENT OF LOSS OR DAMAGE

The Insured must see that the following are done in the event of direct physical loss or damage to Covered Property:

- 6.13.01.01. Notify the police if a law may have been broken.
- 6.13.01.02. Give the Company prompt notice of the loss or damage. Include a description of the property involved.
- 6.13.01.03. As soon as possible, give the Company a description of how, when and where the loss or damage occurred.

- 6.13.01.04. Take all reasonable steps to protect the Covered Property from further damage caused by a **Covered Cause of Loss**. If feasible, set the damaged property aside and in the best possible order for examination. Also, keep a record of expenses for emergency and temporary repairs for consideration in the settlement of the claim. This will not increase the Limit of Liability.
- 6.13.01.05. At the Company's request, provide a complete inventory of the damaged and undamaged property, including quantities, costs, values and amount of loss claimed.
- 6.13.01.06. As often as reasonably required, permit the Company to inspect the property and records evidencing the loss or damage, including taking some or all of damaged and undamaged property for inspection, testing and analysis, and permit the Company to make copies of the Insured's books and records.
- 6.13.01.07. Permit the Company to question the Insured, the Insured's employees and agents under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the loss or damage, including an Insured's books and records. In the event of this examination, an Insured's answers must be signed or attested to by a notary public or certified court reporter.
- 6.13.01.08. Give the Company a signed sworn statement of loss containing the information necessary to investigate the claim. If requested by the Company, the Company will supply the necessary form and the Insured must return this completed form within sixty (60) days of the request or as required by law.
- 6.13.01.09. Cooperate with the Company in the investigation or settlement of the claim.

6.13.02. DUTIES IN THE EVENT OF LOSS OR DAMAGE IN A PROHIBITED JURISDICTION

The duties and requirements imposed upon any Insured under this Policy shall not apply in a **Prohibited Jurisdiction**. However, with respect to any direct physical loss or damage in a **Prohibited Jurisdiction**, it shall be the duty of the **First Named Insured** to do or to cause the applicable subsidiary to do such things as would be required of such subsidiary if this Policy applied directly to such claim.

The **First Named Insured** shall pay the Company an amount equal to its share of any recoveries made by or on behalf of any subsidiary operating in a **Prohibited Jurisdiction**, as if such recoveries had been received by the **First Named Insured**.

6.13.03. ABANDONMENT

There may be no abandonment of any property to the Company.

6.13.04. SUBROGATION

The Insured is required to cooperate in any subrogation proceedings. To the extent of the Company's payment, the Insured's rights of recovery against any party are transferred to the Company.

The Company acquires no rights of recovery that the Insured has expressly waived prior to a loss, nor will such waiver affect the Insured's rights under this Policy.

Any recovery from subrogation proceedings, less costs incurred by the Company in such proceedings, will be payable to the Insured in the proportion that the amount of any applicable deductible and/or any provable uninsured loss, bears to the entire provable loss amount.

6.13.05. APPRAISAL

If the Insured and the Company fail to agree on the value of the property or the amount of loss, each will, on the written demand of either, select a competent, disinterested, and impartial appraiser, who has no direct or indirect financial interest in the claim. Each will notify the other of the appraiser selected within 20 days of such demand. The Insured may not invoke appraisal unless it has first fully complied with all provisions of this Policy, including Duties in the Event of Loss or Damage and has provided the Company with a signed and sworn statement of loss.

The appraisers will first select a competent, disinterested and impartial umpire. If the appraisers fail to agree upon an umpire within 15 days then, on the request of the Insured or the Company, a judge of a court of record in the jurisdiction in which the appraisal is pending will select the umpire. The appraisers will then appraise the value of the property or the amount of loss. They will state separately, the actual cash value and replacement cost value, as of the date of loss and the amount of loss, each item of physical loss or damage or, if for Time Element loss, the amount of loss for each Time Element Coverage of this Policy.

If the appraisers fail to agree, they will submit their differences to the umpire. An award stating separately the actual cash value and replacement cost value, as of the date of loss and the amount of loss, for each item of physical loss or damage or, if for Time Element loss, the amount of loss for each Time Element Coverage of this Policy agreed to in writing by any two will determine the amount of loss.

Once there is an award, the Company retains the right to apply all policy terms and conditions (including but not limited to deductibles, exclusions, and Limits of Liability) to the award. The Company further retains its right to deny the claim in whole or in part.

The Insured and the Company will each pay its chosen appraiser and bear equally the other expenses of the appraisal and umpire.

6.13.06. SUIT AGAINST THE COMPANY

No suit, action or proceeding for the recovery of any claim will be sustained in any court of law or equity unless the Insured has fully complied with all the provisions of this Policy. Legal action must be started within (12) twelve months after the date of direct physical loss or damage to Covered Property or to other property as set forth herein.

If under the laws of the jurisdiction in which the property is located, such twelve months' limitation is invalid, then, any such legal action needs to be started within the shortest limit of time permitted by such laws.

6.14. NON-ADMITTED INSURANCE

If physical loss or damage occurs at a **Location** outside of the United States of America including its territories and possessions, the Company will pay according to the terms and conditions of this Policy for loss as a result of direct physical loss of or damage caused by a **Covered Cause of Loss** to Covered Property at a **Location**, provided there is no local insurance applying to such **Location**.

6.15. NO REDUCTION BY LOSS

Loss or damage shall not reduce the amount of insurance recoverable, except where an **Annual Aggregate** applies. The reinstatement of any exhausted **Annual Aggregate** is not permitted unless authorized by the Company in writing.

6.16. OTHER INSURANCE

Insurance that is intended to pay proportionally with this insurance as a part of a property insurance plan or program expressly written with other participants is not other insurance as described below.

- 6.16.01. The Company will not be liable if, at the time of loss or damage, there is any other insurance that would attach in absence of this insurance; except that this insurance shall apply only as excess, Difference in Conditions/Difference in Limits and in no event as contributing insurance, and then only after all other insurance has been exhausted.
- 6.16.02. The Company gives the Insured permission to purchase insurance for all or any part of the deductibles in this Policy, and the existence of underlying insurance shall not prejudice the Insured's rights under this Policy.
 - 6.16.02.01. The deductible and any amount paid under such insurance that would be covered under this Policy, shall apply to the deductible that would apply in this Policy.
 - 6.16.02.02. This Policy shall then apply on an excess, Difference in Conditions/Difference in Limits basis.
- 6.16.03. The Insured can purchase excess insurance commencing on or after the inception of this Policy that is specifically excess over the Limits of Liability set forth in this Policy without prejudice to this Policy and the existence of such insurance shall not reduce any liability under this Policy.
- 6.16.04. The Company will not be liable if, at the time of loss or damage, there is any insurance with National Flood Insurance Program (NFIP); except that this insurance shall apply only as excess and in no event as contributing insurance, and then only after all NFIP insurance has been exhausted.
- 6.16.05. The Company will not be liable if, at the time of loss or damage, there is any insurance for **New Construction or Additions** under a specific policy for such New Construction and Additions; except that this insurance shall apply only as excess and in no event as contributing insurance, and then only after all specific insurance has been exhausted.
- 6.16.06. The Company will not be liable if, at the time of loss or damage, there is any insurance for stock under a specific policy for such stock; except that this insurance shall apply only as excess and in no event as contributing insurance, and then only after all specific insurance has been exhausted.

6.17. POLICY MODIFICATION

- 6.17.01. This Policy contains all of the agreements between the Insured and the Company concerning this insurance. The Insured and the Company may request changes to this Policy. Only endorsements issued by the Company and made a part of this Policy can change this Policy.
- 6.17.02. Notice to any agent or knowledge possessed by any agent or by any other person will not create a waiver or change any part of this Policy or prevent the Company from asserting any rights under the Policy.

6.18. PRIVILEGE TO ADJUST WITH OWNER

In the event of loss or damage involving Property of Others in your care, custody or control, we have the right, but not the duty to:

- 6.18.01. Settle the loss or damage with the owners of the Property.

- 6.18.02. Provide a defense for legal proceedings brought against the Insured. If provided, the expense for this defense will be at the Company's cost and will not reduce any applicable limit of insurance.

6.19. SETTLEMENT OF CLAIMS

6.19.01. Loss Payment

- 6.19.01.01. In the event of loss or damage to Covered Property, the Company will, at its option, either:

6.19.01.01.01. Pay the value of lost or damaged property;

6.19.01.01.02. Pay the cost of repairing or replacing the lost or damaged property;

6.19.01.01.03. Take all or any part of the property at any agreed valuation; or

6.19.01.01.04. Repair, rebuild or replace the property with other property of like kind and quality.

- 6.19.02. The Company will give notice of its intentions within thirty (30) days after receiving the sworn statement of loss or as required by law.

- 6.19.03. The Company will not pay more than the Insured's financial interest in the Covered Property.

- 6.19.04. The Company will pay for covered loss or damage within thirty (30) days or as required by law, after receiving the sworn statement of loss, if the Insured has complied with all the terms of this Policy; and

6.19.04.01. The Company has reached agreement on the amount of loss; or

6.19.04.02. An appraisal award has been made, subject to 6.13.05.

6.19.05. Priority of Payment

In the event of a claim that involves more than one interest and/or coverage and/or peril; the insured has the option to apportion recovery under this Policy when submitting final proof of loss, subject to the overall amount of claim not exceeding the applicable limit of liability and subject to all other terms and conditions of the policy.

For the purpose of attachment of coverage for excess layers, claims involving any interest and/or peril covered in the primary or underlying excess layers, but not covered in higher excess layers, will be recognized by such excess layers as eroding or exhausting the occurrence limits of the primary and/or underlying excess layer(s). Nothing, however, will extend coverage in such layers(s) to include loss from any interest and/or peril not covered in the excess layer(s) itself.

6.20. SUSPENDED PROPERTY

When Covered Property is found to be in, or exposed to, a dangerous condition, any of the Company's representatives may immediately suspend this insurance for that property. This can be done by delivering or mailing a written notice to the **First Named Insured's** mailing address or to the address where the Covered Property is located. Once suspended, this insurance can be reinstated only by an endorsement. Any unearned premium due will be returned by the Company.

6.21. TITLES

The titles of the various paragraphs and endorsements are solely for reference and shall not in any way affect the provisions to which they relate.

6.22. TRANSFER OF RIGHTS AND DUTIES

The Insured rights and duties under this Policy may not be transferred without the Company giving written consent.

6.23. VALUATION

In the event of any claim for direct physical loss of or damage to Insured Property:

- 6.23.01. The basis of adjustment is on a replacement cost basis unless a specific valuation applies. Replacement Cost shall be the cost to repair, rebuild or replace the damaged property (without deduction for depreciation) with materials of like kind, quality and capacity at the same or another site, but no more than the lesser of:
- 6.23.01.01. The cost to repair;
- 6.23.01.02. The cost to rebuild or replace on the same or another site with materials of equivalent size, kind, quality and capacity;
- 6.23.01.03. The necessary cost actually expended in repairing, rebuilding or replacing on the same or another site, but not exceeding the operating capacity that existed at the time of the loss; or
- 6.23.01.04. The Limits of Liability applicable to the lost or damaged property.
- 6.23.02. If there is direct physical loss of or damage to Covered Property for which repair, rebuilding or replacement has not started within two (2) years from the date of direct physical loss or damage, the Company will not be liable for more than the actual cash value of the property destroyed.
- 6.23.03. The Company, will pay the reduction in value of insured components or parts of products directly resulting from physical loss or damage caused by a **Covered Cause of Loss** to other insured components or parts of products, or part of a pair or set as follows:
- 6.23.03.01. In case of loss or damage to any components or parts of products, or part of a pair or set, the Company will at its option:
- 6.23.03.01.01. Pay the cost of repairing or replacing any part to restore the components or parts of products, pair or set to its value before the loss or damage;
- 6.23.03.01.02. Repair or replace any part to restore the components or parts of products, pair or set to its value before the loss or damage; or
- 6.23.03.01.03. Pay the difference between the value of the components or parts of products, pair or set before and after the loss or damage.
- 6.23.03.02. If settlement is based on a constructive total loss, the Insured will surrender the undamaged parts of such property to the Company.
- 6.23.04. The following property shall be valued as specified below:
- 6.23.04.01. For **Raw Materials** and supplies, the replacement cost.
- 6.23.04.02. For **Stock in Process**, the value of **Raw Materials** and labor expended plus the proportion of overhead charges attributable to that **Stock in Process**.

- 6.23.04.03. For **Finished Stock** manufactured by the Insured, the valuation as stated in the Declarations. If valued at **Selling Price**, this Policy will also pay the increased tax liability incurred by the Insured due to the profit portion of a loss payment involving **Finished Stock** being greater than the tax liability of the profits that would have been earned had no loss occurred.
- 6.23.04.04. For **Merchandise** that carries the Insured's brand or trade name, the valuation as stated in the Declarations.
- 6.23.04.05. For all other **Merchandise**, the valuation as stated in the Declarations.

If the **Fine Arts** article cannot be replaced and an appraisal is not available, the valuation shall be market value based on prevailing conditions at the time of loss or damage.
- 6.23.04.07. For property covered under Deferred Payments, the lesser of the total amount of unpaid installments less finance charges or the actual cash value of the property at the time of loss or the cost to repair or replace with material of like size, kind and quality.
- 6.23.04.08. The selling price of buildings (or structures) or machinery and equipment, other than stock, offered for sale on the date of loss, but no more than the cost to repair or replace.
- 6.23.04.09. The cost to replace non-repairable electrical or mechanical equipment, including computer equipment, with equipment that is the most functionally equivalent to that damaged or destroyed, even if such equipment has technological advantages, represents an improvement in function, or forms part of a program of system enhancement.
- 6.23.04.10. **Improvements and Betterments** at replacement cost if such property is repaired or replaced at the expense of the insured. If there is direct physical loss of or damage to **Improvements and Betterments** which are not repaired, rebuilt or replaced at the expense of the insured, the Company will not be liable for more than a proportion of the original cost determined as follows:
- 6.23.04.10.01. Multiply the original cost of the **Improvements and Betterments** by the number of days from the loss or damage to the expiration of the lease; and

Amendatory Endorsement - Alaska

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

1. Section VI-General Policy Conditions, Cancellation/Non-renewal, is deleted in its entirety and replaced by the following:

CANCELLATION/NON-RENEWAL/CONDITIONAL RENEWAL

Cancellation

The **First Named Insured** shown in the Declarations may cancel this Policy by mailing or delivering to the Company advance written notice of cancellation.

The Company may cancel this Policy by mailing or delivering to the **First Named Insured** and to the agent or broker of record written notice of cancellation at least the greater of:

Ten (10) days before the effective date of cancellation if the Company cancels for discovery of fraud or material misrepresentation by the insured;

Twenty (20) days or the number of days before the effective date of cancellation if the Company cancels for nonpayment of premium, as stated in the Declarations; or

Sixty (60) days or the number of days before the effective date of cancellation if the Company cancels for any other reason, as stated in the Declarations.

The Company will mail or deliver notice to the **First Named Insured's** mailing address shown in the Declarations of this Policy or any Endorsement attached thereto and to the agent or broker of record.

Notice of cancellation will state the effective date of cancellation. The Policy Period will end on that date.

If this Policy is cancelled, the Company will send the **First Named Insured** any premium refund due. If the Company cancels, the refund will be pro rata. If the **First Named Insured** cancels, the refund may be subject to a cancellation fee of 7.5% of any unearned premium. If the Company cancels, any unearned premium will be returned before the effective date of cancellation or forty-five (45) days after the cancellation notice is given in cases of nonpayment, misrepresentation or fraud. If the Insured cancels, any unearned premium will be returned the later of the effective date of cancellation or 45 days after receipt of the request for cancellation.

If notice is mailed, proof of mailing will be sufficient proof of notice.

If under the laws of the jurisdiction in which the property is located, such cancellation terms or conditions are different, then cancellation terms or conditions will be as permitted by such laws.

Non-renewal

The Company may non-renew this Policy by mailing or delivering to the **First Named Insured** written notice, the number of days before the non-renewal, as permitted by law in the jurisdiction where in the property is located.

Conditional Renewal

If the premium to renew this policy increases more than 10% for a reason other than an increase in coverage or exposure basis, or if after the renewal there will be a material restriction or reduction in coverage not specifically requested by the **First Named Insured**, the Company shall mail written notice of the change(s) to the **First Named Insured** the number of days before the expiration date of the policy, as permitted by law in the jurisdiction where in the property is located.

2. SECTION VI – GENERAL POLICY CONDITIONS, CONCEALMENT, MISREPRESENTATION OR FRAUD, is deleted in its entirety and replaced by the following:

CONCEALMENT, MISREPRESENTATION OR FRAUD

The Company will not pay for any loss or damage in any case involving misrepresentations, omissions, concealment of facts, or incorrect statements:

That are fraudulent;

That are material either to the acceptance of the risk, or to the hazard assumed by the Company; or

If the Company, in good faith, would not have:

Issued the policy or contract;

Issued a policy or contract in as large an amount, or at the same premium or rate; or

Provided coverage with respect to the hazard resulting in the loss;

if the true facts had been made known to the Company as required either by the application for the policy or contract or otherwise.

3. Section VI-General Policy Conditions, Loss Conditions, Appraisal is deleted in its entirety and replaced by the following:

APPRAISAL

If the Insured and the Company fail to agree on the value of the property or the amount of loss, each will, on the written demand of either, select a competent, disinterested, and impartial appraiser, who has no direct or indirect financial interest in the claim. Each will notify the other of the appraiser selected within 10 days of such demand. The Insured may not invoke appraisal unless it has first fully complied with all provisions of this Policy, including Duties in the Event of Loss or Damage and has provided the Company with a signed and sworn statement of loss.

The appraisers will first select a competent, disinterested and impartial umpire. If the appraisers fail to agree upon an umpire within 15 days then, on the request of the Insured or the Company, a judge of a court of record in the jurisdiction in which the appraisal is pending will select the umpire. The appraisers will then appraise the value of the property or the amount of loss. They will state separately, the actual cash value and replacement cost value, as of the date of loss and the amount of loss, each item of physical loss or damage or, if for Time Element loss, the amount of loss for each Time Element Coverage of this Policy.

If the appraisers fail to agree, they will submit their differences to the umpire. An award stating separately the actual cash value and replacement cost value, as of the date of loss and the amount of loss, for each item of physical loss or damage or, if for Time Element loss, the amount of loss for each Time Element Coverage of this Policy agreed to in writing by any two will determine the amount of loss and will be binding on the Company.

Once there is an award, the Company retains the right to apply all policy terms and conditions (including but not limited to deductibles, exclusions, and Limits of Liability) to the award. The Company further retains its right to deny the claim in whole or in part.

All expenses and fees, not including counsel or adjuster fees, incurred because of the appraisal shall be paid as determined by the umpire.

3. The following is added to Subsection 6.13.01 of Section VI-General Policy Conditions, Loss Conditions, Duties in the Event of Loss or Damage:

The Insured has the right to an attorney being present during any examination under oath.

4. The following is added to Section VI-General Policy Conditions and supersedes any provision to the contrary:

As required by Alaska Statute Section 21.36.212, we will not deny a claim if a risk, hazard or contingency insured against is the dominant cause of a loss and an excluded risk, hazard, or contingency is also in the chain of causes but operates on a secondary basis.

5. SECTION VI – GENERAL POLICY CONDITIONS, LOSS CONDITIONS, SUIT AGAINST THE COMPANY, is deleted in its entirety and replaced by the following:

No suit, action or proceeding for the recovery of any claim will be sustained in any court of law or equity unless the Insured has fully complied with all the provisions of this Policy. Legal action must be started within three (3) years after the date on which the cause of action accrues.

All other terms, conditions and limitations of this Policy remain unchanged.

5. SECTION VI –GENERAL POLICY CONDITIONS, CONFORMITY TO STATUTES, is amended by the addition of the following and supersede anything to the contrary:

Any provisions required by Connecticut law to be included in policies issued by the Company shall be deemed to have been included in this Policy.

If the Company cancels this Policy for any of these reasons, the Company will mail or deliver to the **First Named Insured** written notice of cancellation, accompanied by the specific reasons for cancellation, at least:

Ten (10) days before the effective date of cancellation if cancellation is for nonpayment of premium; or

- (b) Cancellation is based upon the reason stated in (h) above.

120 days before the effective date of cancellation if cancellation is for one of the reasons stated in paragraphs (b) through (g) above and this policy covers a residential structure or its contents.

If this policy has been in effect for more than 90 days and covers a residential structure or its contents, the Company may not cancel this policy based on credit information available in public records.

Notice of cancellation will state the effective date of cancellation. The Policy Period will end on that date.

If this Policy is cancelled, the Company will send the **First Named Insured** any premium refund due. If the Company cancels, the refund will be pro rata. If the **First Named Insured** cancels, the refund may be less than pro rata but no less than 90% of the pro rata unearned premium. If the return premium is not refunded with the notice of cancellation or when this policy is returned to us, the Company will mail the refund within 15 working days after the date cancellation takes effect, unless this is an audit policy.

If this is an audit policy, then subject to the Insured's full cooperation with us or our agent in securing the necessary data for audit, the Company will return any premium refund due within 90 days of the date cancellation takes effect. If our audit is not completed within this time limitation, then the Company shall accept the Insured's own audit, and any premium refund due shall be mailed within 10 working days of receipt of the Insured's audit.

 - (2) The Insured has failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based; or

Limitations on Cancellation and Nonrenewal In the Event of Hurricane or Wind Loss- Residential Property

The following provisions apply to a policy covering a residential structure or its contents, if such property has sustained damage as a result of a hurricane or windstorm that is the subject of a declaration of emergency by the Governor and filing of an order by the Commissioner of Insurance Regulation:

- (a) Except as provided in the paragraph (b), the Company may not cancel or nonrenew the policy until at least 90 days after repairs to the residential structure or its contents have been substantially completed so that it is restored to the extent that it is insurable by another insurer writing policies in Florida. If the Company elects to not renew the policy, the Company will provide at least 100 days' notice that the Company intends to nonrenew 90 days after the substantial completion of repairs.
- (b) The Company may cancel or nonrenew the policy prior to restoration of the structure or its contents for any of the following reasons:
 - (1) Nonpayment of premium;
 - (2) Material misstatement or fraud related to the claim;
 - (3) The Company determines that the Insured has unreasonably caused a delay in the repair of the structure; or
 - (4) The Company has paid the policy limits.

If the Company cancels or nonrenew for nonpayment of premium, the Company will give the Insured 10 days' notice. If the Company cancels or nonrenews for a reason listed in Paragraph (b)(2), (b)(3) or (b)(4), the Company will give the Insured 45 days' notice.

With respect to a policy covering a residential structure or its contents, any cancellation or nonrenewal that would otherwise take effect during the duration of a hurricane will not take effect until the end of the duration of such hurricane, unless a replacement policy has been obtained and is in effect for a claim occurring during the duration of the hurricane. The Company may collect premium for the period of time for which the policy period is extended.

With respect to the above paragraph, a hurricane is a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service (hereafter referred to as NHC). The hurricane occurrence begins at the time a hurricane watch or hurricane warning is issued for any part of Florida by the NHC and ends 72 hours after the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the NHC.

5. SECTION VI – GENERAL POLICY CONDITIONS, LOSS CONDITIONS Is amended by adding the following:

A claim, supplemental claim or reopened claim for loss or damage caused by the peril of windstorm or hurricane is barred unless notice of the claim supplemental claim or reopened claim is given to the Company within 3 years after the hurricane first made landfall or the windstorm caused covered damage.

For purposes of this section, the term “supplemental claim” or “reopened claim” means any additional claim for recovery from the insurer for losses from the same hurricane or windstorm which the insurer has previously adjusted pursuant to the initial claim.

6. SECTION VI – GENERAL POLICY CONDITIONS, LOSS CONDITIONS is amended by adding the following:

Upon receipt of a claim for a **Sinkhole Loss** to a covered building, the Company shall meet the following standards in investigating a claim:

- (1) Inspect the Insured's premises to determine if there is **Structural Damage** that may be the result of **Sinkhole Activity**.

- (2) If the Company confirms that **Structural Damage** exists but is unable to identify a valid cause of such damage or discovers that such damage is consistent with **Sinkhole Loss**, the Company shall engage a **Professional Engineer** or a **Professional Geologist** to conduct testing as provided in [s. 627.7072](#), Florida Statutes to determine the cause of the loss within a reasonable professional probability and issue a report as provided in [s. 627.7073](#), Florida Statutes only if **Sinkhole Loss** is covered under the policy. Except as provided in subsections (4) and (6), the fees and costs of the **Professional Engineer** or **Professional Geologist** shall be paid by the Company.
- (3) Following the initial inspection of the policyholder's premises, the Company shall provide written notice to the Insured disclosing the following information:
- (a) What the Company has determined to be the cause of damage, if the Company has made such a determination.
 - (b) A statement of the circumstances under which the Company is required to engage a **Professional Engineer** or a **Professional Geologist** to verify or eliminate **Sinkhole Loss** and to engage a **Professional Engineer** to make recommendations regarding land and building stabilization and foundation repair.
 - (c) A statement regarding the right of the Insured to request testing by a **Professional Engineer** or a **Professional Geologist**, the circumstances under which the Insured may demand certain testing, and the circumstances under which the Insured may incur costs associated with testing.
- (4)(a) If the Company determines that there is no **Sinkhole Loss**, the Company may deny the claim.
- (b) If coverage for **Sinkhole Loss** is available and the Company denies the claim without performing testing under [s. 627.7072](#), Florida Statutes, the Insured may demand testing by the Company under [s. 627.7072](#), Florida Statutes.
 1. The Insured's demand for testing must be communicated to the Company in writing within 60 days after the Insured's receipt of the insurer's denial of the claim.
 2. The Insured shall pay 50 percent of the actual costs of the analyses and services provided under [ss. 627.7072](#), Florida Statutes and [627.7073](#), Florida Statutes or \$2,500, whichever is less.
 3. The Company shall reimburse the Insured for the costs if the Company's engineer or geologist provides written certification pursuant to [s. 627.7073](#), Florida Statutes that there is **Sinkhole Loss**.
- (5) If a **Sinkhole Loss** is verified, the Company shall pay to stabilize the land and building and repair the foundation in accordance with the recommendations of the **Professional Engineer** retained pursuant to subsection (2), with notice to the Insured, subject to the coverage and terms of the policy. The Company shall pay for other repairs to the structure and contents in accordance with the terms of the policy. If a covered building suffers a **Sinkhole Loss**, the insured must repair such damage or loss in accordance with the Company's **Professional Engineer's** recommended repairs. However, if the Company's **Professional Engineer** determines that the repair cannot be completed within policy limits, the Company must pay to complete the repairs recommended by the insurer's **Professional Engineer** or tender the policy limits of the affected building to the Insured.
- (a) The Company may limit its total claims payment to the actual cash value of the **Sinkhole Loss**, which does not include underpinning or grouting or any other repair technique performed below the existing foundation of the building, until the Insured enters into a contract for the performance of building stabilization or foundation repairs in accordance with the recommendations set forth in the Company's report issued pursuant to [s. 627.7073](#), Florida Statutes.
 - (b) In order to prevent additional damage to the building or structure, the Insured must enter into a contract for the performance of building stabilization and foundation repairs within 90 days after the Company confirms coverage for the **Sinkhole Loss** and notifies the Insured of such confirmation. This time period is tolled if either party invokes the **Neutral Evaluation** process, and begins again 10 days after the conclusion of the **Neutral Evaluation** process.
 - (c) After the Insured enters into the contract for the performance of building stabilization and foundation repairs, the Company shall pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred. The Company may not require the Insured to advance payment for such repairs.

If repair has begun and the aforementioned professional engineer determines that the repairs will exceed the applicable Limit of Insurance, the Company will pay only the remaining portion of the applicable Limit of Insurance upon such

determination. The most the Company will pay for the total of all Sinkhole Loss, including building and land stabilization and foundation repair, is the applicable Limit of Insurance on the affected building.

(d) The stabilization and all other repairs to the structure and contents must be completed within 12 months after entering into the contract for repairs described in paragraph (b) unless:

1. There is a mutual agreement between the Company and the Insured;

3. The claim is in litigation; or
4. The claim is under appraisal or mediation.

(e) Upon the Company's obtaining the written approval of any lienholder, the Company may make payment directly to the persons selected by the Insured to perform the land and building stabilization and foundation repairs. The decision by the Company to make payment to such persons does not hold the Company liable for the work performed. The Insured may not accept a rebate from any person performing the repairs specified in this section. If an Insured does receive a rebate, coverage is void and the Insured must refund the amount of the rebate to the Company.

(6) If the Company obtains, pursuant to [s. 627.7073](#), Florida Statutes, written certification that there is no **Sinkhole Loss** or that the cause of the damage was not **Sinkhole Activity**, and if the Insured has submitted the **Sinkhole** claim without good faith grounds for submitting such claim, the Insured shall reimburse the Company for 50 percent of the actual costs of the analyses and services provided under [ss. 627.7072](#), Florida Statutes and [627.7073](#), Florida Statutes; however, an Insured is not required to reimburse the Company more than \$2,500 with respect to any claim. The Insured is required to pay reimbursement only if the Insured requested the analysis and services provided under [ss. 627.7072](#), Florida Statutes and [627.7073](#), Florida Statutes and the Company, before ordering the analysis under [s. 627.7072](#), Florida Statutes, informs the Insured in writing of the Insured's potential liability for reimbursement and gives the Insured the opportunity to withdraw the claim.

(7) The Company may engage a professional structural engineer to make recommendations as to the repair of the structure.

(8) Any claim, including but not limited to, initial, supplemental, and reopened claims under an insurance policy that provides sinkhole coverage is barred unless notice of the claim was given to the insurer in accordance with the terms of the policy within 2 years after the policyholder knew or reasonably should have known about the **sinkhole** loss.

7. SECTION VI – GENERAL POLICY CONDITIONS, LOSS CONDITIONS is amended by adding the following:

(a) Within 90 days after an insurer receives notice of a property insurance claim from a policyholder, the insurer shall pay or deny such claim or a portion of the claim unless the failure to pay such claim or a portion of the claim is caused by factors beyond the control of the insurer which reasonably prevent such payment. Any payment of a claim or portion of a claim paid 90 days after the insurer receives notice of the claim, or paid more than 15 days after there are no longer factors beyond the control of the insurer which reasonably prevented such payment, whichever is later, shall bear interest at the rate set forth in [s. 55.03](#). Interest begins to accrue from the date the insurer receives notice of the claim. The provisions of this subsection may not be waived, voided, or nullified by the terms of the insurance policy. If there is a right to prejudgment interest, the insured shall select whether to receive prejudgment interest or interest under this subsection. Interest is payable when the claim or portion of the claim is paid. Failure to comply with this subsection constitutes a violation of this code. The Company shall be liable for the payment of interest to the Insured at a rate of one (1) percent over the prime interest rate on the agreed figure commencing thirty (30) days after the date an executed proof of loss for such figure is received by the Company, said interest to continue so long as the claim remains unpaid.

Appraisal.

In case of loss under this Policy and a failure of the parties to agree as to the amount of loss, it is mutually agreed that the amount of such loss shall be referred to three disinterested men, the Company and the Insured each choosing one out of three (3) persons to be named by the other, and the third being selected by the two (2) chosen, and the award in writing by a majority of the referees shall be conclusive and final upon the parties as to the amount of loss or damage, and such reference, unless waived by the parties, shall be a condition precedent to any right of action in law or equity to recover for such loss; but no person shall be chosen or act as a referee, against the objection of either party, who has acted in a like capacity within four (4) months.

Suit.

No suit or action against this Company for the recovery of any claim by virtue of this Policy shall be sustained in any court of law or equity in this commonwealth unless commenced within two (2) years from the time the loss occurred; provided, however, that if, within said two (2) years, in accordance with the provisions of the preceding paragraph, the amount of loss shall have been referred to arbitration after failure of the parties to agree thereon, the limitation of time for bringing such suit or action shall in no event be less than ninety (90) days after a valid award has been made upon such reference or after such reference or award has been expressly waived by the parties. If suit or action upon this Policy is enjoined or abated, suit or action may be commenced at any time within one (1) year after the dissolution of such injunction, or the abatement of such suit or action, to the same extent as would be possible if there was no limitation of time provided herein for the bringing of such suit or action.

Subrogation.

This Company may require from the Insured an assignment of all rights of recovery against any party for loss to the extent that payment therefore is made by this Company.

C. The following is added to Paragraph B. Description of Special Coverages of SECTION V – SPECIAL COVERAGES & DESCRIBED CAUSES OF LOSS:

MASSACHUSETTS RESIDENTIAL FUEL TANKS SPILLS COVERAGE - PROPERTY REMEDIATION FOR “RELEASE OF HEATING OIL”

- a) With respect to the **“release of heating oil”** from a **tank**, or any piping, fuel supply lines, equipment, or systems connected to the **tank**, at a **residential property**, the Company will pay for:
 - 1). Reasonable response action costs the Insured incurred under chapter 21E or 21K of the Massachusetts law or applicable regulations, including costs to assess and remediate a **“release of heating oil”** impacting soil, indoor air, water and other environmental media at that **residential property**; and
 - 2). With respect to a **“release of heating oil”** for which response action costs are incurred and covered pursuant to 1). above, direct physical loss of or damage to **personal property** at that **residential property**.
- b) The most the Company will pay under this endorsement for a **“release of heating oil”** is the applicable limits provided in this policy or \$50,000 whichever is greater, for the total of all loss, damage, or costs regardless of:
 - 1) The amount of time over which the **“release of heating oil”** continues and regardless of whether the release occurs in repeated intervals;
 - 2). The number of **policy years** during which the **“release of heating oil”** persists;
 - 3). Whether the heating oil is released from one or multiple outlets on the **tank** body and its related equipment;
 - 4). Whether there are multiple effects, such as damage to **personal property**, pollution of land and pollution of water;
 - 5). Whether the effects of the **“release of heating oil”** are discovered and reported once or discovered and reported over time as such effects become apparent;
 - 6). The number of **locations** affected by the **“release of heating oil”**; or

c) The following additional exclusions apply:

The Company will not pay:

- 1) For any loss of business income or any expenses incurred due to interruption or reduction in business operations, including any Time Element Coverages, even if the Policy includes such coverage;
 - 2). For any other consequential loss, damage or costs; or
 - 3). To replace any heating oil that was released.
- d) The Company will not pay for loss, damage or costs under this endorsement until the amount of loss, damage or costs exceed \$1,000. The Company will then pay the amount of loss, damage or costs in excess of \$1,000 up to the applicable limit, subject to all applicable provisions of A. above. This deductible applies whenever there is a **“release of heating oil”** covered under this endorsement. No other deductible will apply to the coverage provided solely by this endorsement.
- e) When the **“release of heating oil”** results from a **covered cause of loss**, the following apply:
- 1) If the loss or damage described in A.a. 2) above is also covered under another coverage(s) in this Policy, then such covered loss or damage will be settled in accordance with all applicable terms of that coverage and this endorsement will not apply. Any deductible applicable to that coverage that is higher than \$1,000 is recoverable under this endorsement but not to exceed \$50,000.
 - 2) With respect to pollution of land and water, the costs addressed in A.a.1) above will be settled under the terms of the Land and Water Contaminant Cleanup, Removal and Disposal Coverage and/or the Decontamination Costs Coverage, and this endorsement will apply as excess if the amount of coverage available under the Land and Water Contaminant Cleanup, Removal and Disposal Coverage and/or the Decontamination Costs Coverage is less than \$50,000.
- f) Coverage applies only in response to a **“release of heating oil”** which an insured first discovers or learns of during the current **policy year** and reports to the Company as soon as practicable. If the **First Named Insured** discovers or learns of the **“release of heating oil”** during the **policy year** and reports it to the Company following the end of that **policy year**, coverage will apply, provided this endorsement was in effect when the **First Named Insured** discovered or learned of the **“release of heating oil”**, if the **First Named Insured** reported the **“release of heating oil”** to the Company as soon as practicable.
- D. The following is added to SECTION VI. GENERAL POLICY CONDITIONS, OTHER INSURANCE:
- Except as provided in 1) below, if there is other insurance covering the same loss, damage or costs covered, the Company will pay only its share of the covered loss, damage, or costs. - 1). If there is a **service agreement** covering the same loss, damage, or costs, this insurance is excess over any other amounts payable under the **service agreement**. If there is a government fund covering the same loss, damage, or costs, the Company will pay its share of the covered loss, damage, or costs. - 1) It is material;
- 2) It is made with the intent to deceive to the Company's injury;
- 3) The Company relies on it; and

APPRAISAL

If the Insured and the Company fail to agree on the value of the property or the amount of loss, upon mutual agreement, each will select a competent, disinterested, and impartial appraiser, who has no direct or indirect financial interest in the claim. Each will notify the other of the appraiser selected within 20 days of such demand. The Insured may not invoke appraisal unless it has first fully complied with all provisions of this Policy, including Duties in the Event of Loss or Damage and has provided the Company with a signed and sworn statement of loss.

The appraisers will first select a competent, disinterested and impartial umpire. If the appraisers fail to agree upon an umpire within 15 days then, on the request of the Insured or the Company, a judge of a court of record in the jurisdiction in which the appraisal is pending will select the umpire. The appraisers will then appraise the value of the property or the amount of loss. They will state separately, the actual cash value and replacement cost value, as of the date of loss and the amount of loss, each item of physical loss or damage or, if for Time Element loss, the amount of loss for each Time Element Coverage of this Policy.

If the appraisers fail to agree, they will submit their differences to the umpire. An award stating separately the actual cash value and replacement cost value, as of the date of loss and the amount of loss, for each item of physical loss or damage or, if for Time Element loss, the amount of loss for each Time Element Coverage of this Policy agreed to in writing by any two will determine the amount of loss.

Once there is an award, the Company retains the right to apply all policy terms and conditions (including but not limited to deductibles, exclusions, and Limits of Liability) to the award. The Company further retains its right to deny the claim in whole or in part.

The Insured and the Company will each pay its chosen appraiser and bear equally the other expenses of the appraisal and umpire.

All other terms, conditions and limitations of this Policy remain unchanged.

The Zurich Edge Global Policy

A. Cap on Losses From Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with provisions of the federal Terrorism Risk Insurance Act ("TRIA"), to be an act of terrorism. The Terrorism Risk Insurance Act provides that the Secretary of Treasury shall certify an act of terrorism:

1. To be an act of terrorism;
2. To be a violent act or an act that is dangerous to human life, property or infrastructure;
3. To have resulted in damage within the United States, or outside of the United States in the case of an air carrier (as defined in section 40102 of Title 49, United States Code) or a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), or the premises of a United States mission; and
4. To have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

No act may be certified as an act of terrorism if the act is committed as part of the course of a war declared by Congress (except for workers' compensation) or if losses resulting from the act, in the aggregate for insurance subject to TRIA, do not exceed \$5,000,000.

If aggregate insured losses attributable to one or more "certified acts of terrorism" exceed \$100 billion in a calendar year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of Treasury.

B. Application of Other Exclusions

The terms and limitations of a terrorism exclusion or any other exclusion, or the inapplicability or omission of a terrorism exclusion or any other exclusion, do not serve to create coverage which would otherwise be excluded, limited or restricted under this policy.

Re: Claim #: 5630046950
 Insured: Urban Outfitters, Inc.
 Policy #: PPR 5761839-06
 Date of Loss: March 15, 2020
 Loss Location: All Locations Listed on Statement of Values

Dear Mr. Hayne,

We are writing on behalf of Zurich American Insurance Company with respect to an insurance claim submitted by Urban Outfitters, Inc. in connection with the recent outbreak of coronavirus/COVID-19.

You reported that your locations have been impacted by the COVID-19 virus pandemic by way of government mandate. You further reported that Urban Outfitters, Inc. operates retail locations throughout the United States which have been closed, resulting in loss of income and incurring of extra expenses.

Zurich American Insurance Company understands that Urban Outfitters, Inc. is seeking coverage under the civil authority coverage provision for the impact on business during the period of time the insured location is affected by an order of civil authority issued in connection with the recent outbreak of the COVID-19 virus. We have reviewed the claim presented in conjunction with the terms of the Policy. Based on the information provided, we have concluded that the Policy does not provide coverage for the loss of revenue associated with the civil authority closure of Urban Outfitter Inc's business.

Zurich American Insurance Company issued Edge Policy No. PPR 5761839-06 to Urban Outfitters, Inc., effective July 7, 2019 to July 7, 2020. The insuring agreement of the Time Element section of the Policy (Section 4.01.01) provides, in pertinent part:

The Company will pay for the actual Time Element loss the Insured sustains, as provided in the Time Element Coverages, during the Period of Liability. The Time Element loss must result from the necessary **Suspension** of the Insured's business activities at an Insured Location. The **Suspension** must be due to direct physical loss of or damage to Property (of the type insurable under this Policy other than **Finished Stock**) caused by a **Covered Cause of Loss** at the **Location**.
...

The Company will also pay for the actual Time Element loss sustained by the Insured, during the Period of Liability at other Insured Locations. The Time Element loss must result from the necessary of **Suspension** of the Insured's business activities at the other Insured Locations. Such other Location must depend on the continuation of business activities at the **Location** that sustained direct physical loss or damage caused by a **Covered Cause of Loss**.

As a preliminary matter, there does not appear to be any claim for direct physical loss of or damage to property at an Insured Location. In any event, the presence of the COVID-19 virus does not constitute "direct physical loss or damage" to property. Moreover, any damage to property would be excluded under the following "Contamination" exclusion set forth in Section 3.03 of the Policy:

3.03. EXCLUSIONS

The following exclusions apply unless specifically stated elsewhere in this Policy:

3.03.01. This Policy excludes the following unless it results from direct physical loss or damage not excluded by this Policy.

3.03.01.01. **Contamination**, and any cost due to **Contamination** including the inability to use or occupy property or any cost of making property safe or suitable for use or occupancy, except as provided by the Radioactive Contamination Coverage of this Policy.

The terms "Contamination (Contaminated)" and "Contaminants" are defined in Section 7.09 and 7.10 of the Policy as follows:

7.09. **Contamination (Contaminated)** - Any condition of property due to the actual presence of any foreign substance, impurity, pollutant, hazardous material, poison, toxin, pathogen or pathogenic organism, bacteria, virus, disease causing or illness causing agent, **Fungus**, mold or mildew.

7.10. **Contaminant(s)** - Any solid, liquid, gaseous, thermal or other irritant, pollutant or contaminant, including but not limited to smoke, vapor, soot, fumes, acids, alkalis, chemicals, waste (including materials to

be recycled, reconditioned or reclaimed), asbestos, ammonia, other hazardous substances, **Fungus** or **Spores**.

The presence of the COVID-19 virus falls within the definition of **Contamination**. Accordingly, any loss resulting from the presence of COVID-19 virus or any “suspension” of operations as a result of the presence of COVID-19 virus would be excluded under the Policy.

We understand that Urban Outfitters, Inc is presenting a claim under Section 5.02.03. of the Policy (“Civil or Military Authority”), which provides:

5.02.03. CIVIL OR MILITARY AUTHORITY

The Company will pay for the actual Time Element loss sustained by the Insured, as provided by this Policy, resulting from the necessary **Suspension** of the Insured’s business activities at an Insured Location if the **Suspension** is caused by order of civil or military authority that prohibits access to the **Location**. That order must result from a civil authority’s response to direct physical loss of or damage caused by a **Covered Cause of Loss** to property not owned, occupied, leased or rented by the Insured or insured under this Policy and located within the distance of the Insured’s Location as stated in the Declarations. The Company will pay for the actual Time Element loss sustained, subject to the deductible provisions that would have applied had the physical loss or damage occurred at the Insured Location, during the time the order remains in effect, but not to exceed the number of consecutive days following such order as stated in the Declarations up to the limit applying to this Coverage.

We note that, in order for coverage to apply under Section 5.02.03, there must be a necessary suspension of the Insured’s business activities as a result of an order of civil or military authority that has been issued as a result of direct physical loss of or damage to property not owned by the Insured as a result of a “Covered Cause of Loss.” Moreover, the order of civil or military authority must prohibit access to the “Insured Location” in order to trigger coverage under this provision of the Policy.

The presence of the COVID-19 virus does not constitute “direct physical loss or damage” to property. Moreover, to the extent any order of civil or military authority was issued because of the presence of the COVID-19 virus or to stop the spread of COVID-19 virus, such order would not be the result of a “Covered Cause of Loss.” Significantly, as addressed above, the presence of the COVID-19 virus is excluded as a cause of loss under the **Contamination** exclusion (Section 3.03.01.01); accordingly, any order of civil authority affecting Urban Outfitters, Inc. does not result from a covered cause of loss and civil authority coverage would not be available. To the extent access to the “Location” is not prohibited, coverage would not be available for this additional reason.

Additionally, the Policy contains the following “Law/Ordinance” exclusion in Section 3.03.01.03:

3.03. EXCLUSIONS

The following exclusions apply unless specifically stated elsewhere in this Policy:

3.03.01.03. Loss or damage arising from the enforcement of any law, ordinance, regulation or rule regulating or restricting the construction, installation, repair, replacement, improvement, modification, demolition, occupancy, operation or other use, or removal including debris removal of any property.

To the extent it is Urban Outfitters, Inc.'s position that its loss of income is the result of the enforcement of any law, ordinance, regulation or rule regulating or restricting the use of any property, including, but not limited to, the decision to close certain locations, cancel events, or limit the number of individuals who could attend events or premises, any loss may be excluded pursuant to this exclusion.

The Policy also contains the following exclusions set forth in Section 3.03.02. of the Policy:

3.03. EXCLUSIONS

The following exclusions apply unless specifically stated elsewhere in this Policy:

3.03.02 This Policy excludes:

3.03.02.01. Loss or damage arising from delay, loss of market, or loss of use.

* * *

3.03.02.05 Loss or damage resulting from the Insured's suspension of business activities, except to the extent provided by this Policy.

To the extent Urban Outfitters, Inc.'s loss of income is the result of delay, loss of market, or loss of use, or results from suspension of business activities other than what is covered under the Policy, such loss is excluded.

We also note the following exclusion in the Time Element Coverage section of the Policy as set forth in Section 4.02.05:

4.02.05 EXCLUSIONS

In addition to the exclusions elsewhere in this Policy, the following exclusions apply to Time Element Coverage;

4.02.05.01. This Policy does not insure against:

4.02.05.01.01 Any loss during any idle period that would have been experienced had the **Suspension** of business activities not occurred. This includes, but it not limited to, when production, operation, services, delivery or receipt of goods or services or any other business activities would have ceased, or would not have taken place or would have been prevented due to . . .

4.02.05.01.01.3 Any reason other than physical loss or damage insured by this Policy.

To the extent any loss of income relates to a period of time when the suspension of business activities is the result of any reason other than physical loss or damage insured by the Policy, coverage is not available.

For the foregoing reasons, we have concluded that the Policy does not provide coverage for the loss of revenue or extra expenses associated with the presence of the COVID-19 virus or any order of civil authority relating to the COVID-19 virus. If you have any other information bearing on this loss that you would like Zurich American Insurance Company to consider, please forward it to us at your earliest convenience and it will be reviewed without prejudice to the parties' respective rights. Moreover, if you have any questions concerning this letter and Zurich American Insurance Company's position as set forth above, we will be pleased to discuss them with you.

We also direct your attention to Section 6.13.06 of the Policy, which provides that any action against the insurer must be commenced within twelve months after the date of direct physical loss or damage to Covered Property or to other property.

Please be advised that this letter should not be considered a waiver or variance of any of the Policy's terms or conditions. Additionally, this letter in no way restricts or limits Zurich American Insurance Company from relying upon and asserting any other facts or grounds that are or may become available to it. All rights are reserved.

If you should have any questions, please do not hesitate to contact me.

Sincerely,
Zurich American Insurance Company
